For Nottinghamshire voluntary controlled and community schools, the standard oversubscription criteria are detailed in the *Admissions to Schools: Guide for parents.*

For academy, foundation and voluntary aided schools which were oversubscribed in the intake year in 2013/2014 it is not possible to list the criterion under which each application was granted or refused as the criteria for each of these schools is different and is applied by the individual admission authority. For details of allocation of places, please contact the school for further information.

The application breakdown is based on information on offer day 12 April 2013.

All school information is correct at the time of print (July 2013) but is subject to change.
