SHERWOOD FOREST
WHERE LEGENDS GROW

27 August – 2 September
Sherwood Forest

ROBIN HOOD FESTIVAL 2018

Getting around the festival

The festival events are staged at different locations around the forest so please be prepared to walk between them. **The distances can be quite tiring for young children and older visitors so please make sure you allow enough time.**

The Forest Code

Sherwood Forest National Nature Reserve is an area of outstanding wildlife importance.

Please help us protect this ancient woodland for future generations by following the Forest Code.

Please note barbecues are not allowed on site or in the carparks.

Cared for and protected by
