

## Partnership Prevention Programme 2014 – 2017

Nottinghamshire Vision: Preventing together to create more confident, safer and healthier communities.

The aim is to reduce demand on the public and voluntary sector organisations by: Helping to tackle the root causes of demand on services, Helping to prevent them and not have to solve situations in a reactive way. Mental Health Understanding and mapping the demand. Children's Services Encouraging a culture of early intervention in all organisations. Young People Promoting the benefits of "getting it right first time" in service delivery. Older People Enabling multi-agency working across the county and in localities. Crime and Safer Communities **Principles** Strategic themes Training front line workers to recognise signs and situations where intervention is beneficial to the individual and the community. **Emergency Services** Enabling individuals and communities to shape the services that they need and rely upon. Integrating the Volutary Sector Testing innovative ways of working through pilot programmes. **Integrating Commercial Partners** National best practice Alcohol and Substance Misuse Housing and Building Control Commitment to local by default 26 Individual Pilots - all linked to the strategic themes Integrated enforcement linked to problem solving Prevention Integrated early intervention/problem solving together **Evaluation** Pilots Prevention **Shared information** enablers Testing and Community and individual empowerment Learning from what works understanding Aligned budgets and pooled resources (spend on proven evidence base) Evidence based Meaningful consultation and engagement **Short to Medium Term** Long Term **Mental Health Locality Working: Business Crime/Town** Crime Prevention and Safety Schools - Children and Young (in high demand areas) centres People Work streams Police & Fire Interoperability Dragons Den - Sutton East Sutton East Concordat Agreement Co-ordinated approach St Anns's DV Pilot Take Five - Manton Street Triage Team Manton Holocaust Centre - Manton Crime Prevention Review to business crime PPA review project Life Skills - County Veterans work Drug Aware - City **Troubled Families** Proactive Crime Prevention Integrated Families Night-Time economy Whole approach to schools - City and Pilot - County approach -County wide liason and Programme Licensing County Police/Fire/County Council diversion nurses Neighbourhood Policing Programme Themes - Social Whole approach to town Signposting Interventions **Key Work** Partnership Plus Review Mental health - Police Responsibility, Health and Wellbeing, centres Joined up enforcement Substance misuse contact management Fulfilling Potential, Resistance Social responsibility Integrated offender **Emergency Mental Health** Education, Core commissioned E management programme including early years, accommodation It right primary and secondary first tim Locality Working Safer Town Centres Safe and confident communities Whole approach to schools - City D Reduced demand Safe and confident Prosperous town centres and County Joined up service delivery model communities Fulfilling potential Safer and healthier communities Reduced demand **Outcomes** Reduced demand Reduced demand Reduced demand **Prevention in Localities** Outcomes Development

# PROCESS

Governance - Wider Partnership Structures
