

## Appendix 1 - Indicators updated from previous report

### Children and Young People's Committee: Quarter 3 Performance for 2015/16

For Nottinghamshire, the performance data available at the end of quarter 3 2015/16 is reported. The most recent data for national average and children's services statistical neighbours is reported, where available. Please note, comparisons may be indicative only, as the reporting periods are not necessarily aligned. Where Nottinghamshire performance meets or exceeds the latest national performance information, this is highlighted by the emboldened boxes. Key: (p) = provisional data; (+) = better than previous value; (-) = worse than previous value; (=) = same as previous value; (n/a) = not comparable to previous value
