

Conclusion of Work Programme

Agenda Item: 7

Purpose

1. This report provides Members the opportunity to update the programme of work for the Committee and to propose items for inclusion.

Information

2. The programme of work allows Members to map out scrutiny activity over the coming year. It is reviewed at every meeting of the Standing Committee.
3. The 16th April 2012 Social Care and Health Standing Committee meeting is the final meeting of this committee.
4. Any outstanding items of work will be passed to successor committee(s) for action.
5. An example of outstanding work is an examination of the arrangements for Children's Social Care Establishments Rota Visits which would have formed the second part of the work of the Rota Visits Review Group.

Recommendation:

6. It is recommended that the Social Care and Health Standing Committee

- i. Identify any areas of outstanding work to be taken forward by successor committees.
