

Report to Governance & Ethics Committee

3 May 2023

Agenda Item: 6

REPORT OF SERVICE DIRECTOR, FINANCE, PROCUREMENT & IMPROVEMENT

LOCAL CODE OF CORPORATE GOVERNANCE AND ANNUAL GOVERNANCE STATEMENT – 2022/23.

Purpose of the Report

1. To review the Local Code of Corporate Governance for Nottinghamshire County Council, and to seek approval for the proposed Annual Governance Statement 2022/23.

Information

- 2. The Accounts and Audit (England) Regulations 2015 require the Authority to review the effectiveness of its system of internal control and publish an Annual Governance Statement (AGS), prepared in accordance with proper practices in relation to internal control.
- 3. The focus of the AGS is to assess the extent to which the Council's <u>Local Code of Corporate Governance</u> has been complied with in 2022/23. The opportunity should also be taken to review and update the content of the Local Code. No changes are proposed at this point. The in-year governance update reports to the Governance & Ethics Committee have been completed as a means of monitoring progress.
- 4. This AGS assesses governance in place during 2022/23 and is published alongside the annual accounts. It has been drawn up on the basis of a range of evidence sources, which are described at paragraph 3.3 of the Statement.
- 5. The draft Statement has been endorsed by the Corporate Leadership Team, and it is attached as *Appendix A* for consideration by the Committee.

Other Options Considered

6. The only other option available was to not publish the Annual Governance statement. This option was rejected as it is a requirement set out in the Accounts and Audit Regulations 2015

Reason for Recommendation

7. To set out how the Authority has met its governance responsibilities for 2022/23.

Statutory and Policy Implications

8. This report has been compiled after consideration of implications in respect of crime and disorder, finance, human resources, human rights, the public sector equality duty, safeguarding of children and vulnerable adults, service users, sustainability and the environment and ways of working and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

RECOMMENDATIONS

- 1) That the Committee approves the Annual Governance Statement 2022/23.
- 2) That the Committee keeps the content of the Local Code of Corporate Governance under review through the in-year governance update reports, to ensure the impact of the Cabinet/Scrutiny model of governance is accurately reflected in the Code.

Nigel Stevenson
Service Director – Finance, Infrastructure & Improvement
