

**16 September 2013****Agenda Item: 4****REPORT OF THE SERVICE DIRECTOR, CHILDREN'S SOCIAL CARE  
LOOKED AFTER CHILDREN STRATEGY UPDATE****Purpose of the Report**

1. To update the Sub-Committee on the progress of the action plan for the Looked After Children Strategy.

**Information and Advice**

2. It was identified that our approach to Looked After Children would benefit from the development of an over-arching strategy which outlines the commitment of the Council and our partner agencies to supporting children in care. The strategy has been developed based on what young people have told us is important to them in The Pledge for Looked After Children, published in October 2010.
3. Nottinghamshire's commitments to Looked After Children, as set out in The Pledge, underpin our Looked After Children Strategy which was published in August 2012. This strategy identifies the Council's ambition for its Looked After Children and young people, ensuring that they receive placements that meet their needs, have access to high quality education and enjoy positive activities that support them to achieve their full potential. For those children who require permanent alternative families it means ensuring that effective plans are made so that they achieve permanence as quickly as possible.
4. The LAC Strategy action plan, attached as **Appendix 1**, had a number of work streams which included piloting new panel arrangements for entry to care, reviewing the support in place for kinship care and care leavers, and the wider range of options for permanency available to children and young people in the care system.
5. Key actions in all priority areas have been completed which include:
  - production of a new review booklet to ensure young people's voices are heard and that they shape their own care plans
  - a new guide to adoption is available for older children and young people to help them understand the opportunities and challenges this presents, and how they can influence the process

- all new looked after children and existing looked after children with significant changes to circumstance will have a designated Educational Psychologist
- two additional Looked After Children Achievement Officers have been recruited to the Virtual School
- most district councils are now offering free or reduced cost sports and leisure activities for looked after children and young people
- a new data sharing system is in place between Health and Children's Social Care that will assist in identifying health concerns of looked after children
- the number of salaried carers for young people in need of specialist foster care placements continues to increase
- established a new Family Assessment and Contact Service which provides a consistent approach to contact across the County
- increased leave available for Nottinghamshire County Council staff who are taking on the care of a child through a special guardianship order.
