REPORT OF THE CHAIRMAN OF HEALTH SCRUTINY COMMITTEE

WORK PROGRAMME

Purpose of the Report

1. To consider the Health Scrutiny Committee's work programme.

Information and Advice

2. The Health Scrutiny Committee is responsible for scrutinising substantial variations and developments of service made by NHS organisations and reviewing other issues which impact on services provided by trusts which are accessed by County residents.
3. The work programme is attached at Appendix 1 for the Committee to consider, amend if necessary and agree.
4. The work programme of the Committee continues to be developed. Emerging health service changes (such as substantial variations and developments of service) will be included as they arise.
5. The Quality Account priorities for Doncaster & Bassetlaw NHS Foundation Trust and Sherwood Forest NHS Foundation Trust were due to be considered at this meeting. However, the priorities are still at an early stage of development and so this item has been rescheduled for the March meeting of the Health Scrutiny Committee.
6. Members may also wish to suggest and consider subjects which might be appropriate for scrutiny review by way of a study group or for inclusion on the agenda of the committee.

RECOMMENDATION

- 1) That the Health Scrutiny Committee considers and agrees the content of the draft work programme.
- 2) That the Health Scrutiny Committee suggests and considers possible subjects for review.

Councillor Colleen Harwood
Chairman of Health Scrutiny Committee
