Re: Question Under Procedure Rule 32

Following the announcement in the Budget on Wednesday 16th March, can the Chairman tell us what action he has taken to access our share of the £50million available?

Dear Councillor Madden

Thank you for your question to Full Council.

The 2016 Budget announced the allocation of the £50 million Pothole Action Fund for England in 2016-17. This was confirmed in a letter from the Department for Transport on the 22nd March.

I have instructed officers to prepare plans for spending our allocation during 2016/17.

As you will be aware we are a Labour Administration and we believe in fighting to get our fair share of funding from Government. In fact it was this very administration that campaigned for a fair deal from Government and a fair deal for the people of Nottinghamshire. Unfortunately this was a campaign you felt you could not support.

So please rest assured, this administration will do what it has always done and ensure that we get every bit of funding possible from this Government.

Yours sincerely
