After school week day provision for young people wishing to continue playing after secondary consolidation project. Based on Musical Futures pedagogy. 7 projects delivered in partnership with schools. Open access, charged provision at £3.50 per week. Joint funded by Music Education Hub, partner schools and income. Commencing September 2015

Out of school provision for talented young people - from March 2016

Vocal Programme – new model

A series of events, workshop and performance opportunities building on and hosted by Singing Hub Schools. 7 areas covered with provision leading into opportunities provided in partnership with National Youth Choir of Great Britain for talented young vocalists and auditions for NYCGB age group choirs held in Nottinghamshire. Builds on established singing strategy and engagement with schools and young people through Singing Hub Schools. Jointly funded through Music Education Hub, NYCGB and The Royal Concert Hall.

Able Orchestra

Short targeted projects based in Special Educational Needs settings using iPads and music technology to enable SEND young people opportunities to compose and perform music with other young people and professional musicians. Funded through Music Education Hub this represents existing provision piloted in February 2015 which will now be extended further.

Nottinghamshire Talent and Potential Project

Invitation or self-selected auditioned project providing young people opportunities to work alongside and be mentored by professional musicians, composers, conductors and world-class ensembles.

A series of workshops of differing lengths throughout the year for the young people to broaden and deepen their musical abilities through composing, arranging, conducting, recording and collaborating with other young people, musicians and artist.

FastForward

East Midlands provision for talented young musician from all genres, backgrounds and ages. Coordinated by Pedestrian Arts, backed by a consortium of East Midlands Music Education Hubs, the provision will be devised by young musicians for young musicians. Initial work being carried out from May 2015 to form youth panel(s), identify current opportunities in the region for talented musicians and start work on launch event(s) mid 2016.

ALLRCHESTR@

A regional pilot event in the East Midlands run by Hand on Heart Arts, backed by a consortium of East Midlands Hubs providing a high quality performance event for any young musician regardless of background, genre or instrument. Young people will work with professional musician to devise new pieces and perform them nationally.
