

## Appendix D

**Proposed admission of Capita IT Services (BSF) Limited into the Nottinghamshire Pension Funds, as a transferee admission body under the provisions of the Regulation 6 of the Pension Regulations.**

Capita IT Services (BSF) Limited has a contractual agreement with The Bulwell Academy to undertake the ICT function in respect of the first phase implementation of the Building Schools for the Future (BSF) project. The service transfer took place on 2<sup>nd</sup> September 2009 and the contract period is 5 year with an option to extend for 12 months and 5 years thereafter.

This arrangement involved the TUPE transfer of 2 employees of The Bulwell Academy. Both employees are members of the LGPS and are engaged in the delivery of the service. Capita IT Services (BSF) Limited intends to allow continuity of LGPS membership through a transferee admission agreement with the Nottinghamshire Pension Fund. The option to join the LGPS will not be available to existing employees of the company.
