

Communities and the Environment

Road Safety Around Schools - Response

4

Purpose

1. To present the Cabinet response to the Communities and the Environment Standing Committee's Road Safety Around Schools Review.

Information

2. The Communities and the Environment Standing Committee previously undertook a review of issues associated with road safety around schools.
3. The review concluded in June 2011.
4. The response to the reviews four recommendations is attached at Appendix A. **Councillor Richard Jackson** will attend the standing committee to present the response and answer questions as necessary.

Recommendation:

It is recommended that the Communities and the Environment Standing Committee consider the response provided on road safety around schools.

Councillor Sue Saddington

Chair of the Communities and the Environment Committee
