

meeting **FLOODING SELECT COMMITTEE**

date **26 March 2007** agenda item number

Report of the Chair of the Flooding Select Committee

Evidence and Information Requested by the Flooding Select Committee

Purpose of the report

1. To indicate to the Flooding Select Committee a list of remaining areas on which it plans to receive evidence.

Background

2. On 12 March 2007 the Flooding Select Committee identified a number of issues about which it needed to hear evidence before it could proceed to draft a final report.

Areas of Evidence

3. The Select Committee has commissioned verbal briefing from departmental officers on the following issues:
 - Plans for the development of a Sustainable Urban Drainage (SUDs) policy
 - Sewers in Nottinghamshire – an update on maintenance responsibility and Severn Trent
 - Frequency of roadside gully cleansing – detail on policy and procedures in place
 - Flooding resulting in bridge closure (e.g. at Kelham and Gunthorpe) and the need for a further Trent crossing

Recommendations

13. It is recommended that

the Flooding Select Committee receive the verbal briefings and initiate lines of questioning as appropriate.
