Information and Advice

2. Providers of NHS healthcare services in England, including the independent sector, are required to publish an annual Quality Account.
3. The purpose of the Quality Account report is for the healthcare service provider to assess quality across all of the healthcare services it offers by reporting information on performance across the year and identifying priorities for improvement during the forthcoming year, and how they will be achieved and measured.
4. Under the National Health Service (Quality Accounts) Regulations 2010 (amended by The National Health Service (Quality Accounts) Amendment Regulations 2012) healthcare providers publishing Quality Accounts are required to send a draft of the Quality Account to the Overview and Scrutiny Committee of the local authority in whose area the provider has its registered or principal office is located, and invite comments on the document.
5. The Overview and Scrutiny Committee may, if it wishes, provide a written statement outlining its views on the document. Providers are legally obliged to publish this statement (of less than 1000 words) as part of their Quality Account. The Department of Health's guidance '*Quality Accounts: A guide for Overview and Scrutiny Committee*' is attached at Appendix A.
6. Providers must send their Quality Account to the relevant OSC by 30 April each year. The Department of Health requires that providers submit their final Quality Account by 30 June each year.
7. Rick Dickinson, Deputy Director of Quality and Governance Doncaster & Bassetlaw CCG will attend the Health Scrutiny Committee to present the draft Quality Account and answer questions. The Trust's draft quality account is attached at Appendix B.

8. It is requested that Members indicate to the officers supporting health scrutiny the points to be included within the comment, should they wish to make one. The comment can then be drafted, subject to any correction or amendment by Chair and Vice-Chair before onward transmission to the Trust.
