APRIL 2017 – MARCH 2018****Purpose of the Report**

1. The report provides an update on the activities and performance of the Independent Reviewing Officer service from April 2017 to March 2018.

Information

2. The Independent Review Officer (IRO) service is set within the framework of the updated IRO Handbook, linked to revised Care Planning Regulations and Guidance which were introduced in April 2011. The responsibility of the IRO has changed from the management of the Review process to a wider overview of the case including regular monitoring and follow-up between Reviews. The IRO has a key role in relation to the improvement of care planning for Looked After Children and for challenging drift and delay. The IRO's role is to ensure that Nottinghamshire County Council acts as a responsible corporate parent and provides good standards of care and services to the children they care for.
3. The annual report, attached as **Appendix 1**, contains information in respect of the structure of the service, the work the IRO service has been involved in throughout the year, the profile of Looked After Children in Nottinghamshire, how many reviews have been conducted and participation of children/young people and partner agencies within these meetings. It also outlines the challenges undertaken by IROs as part of the dispute resolution process and how the service is developing with key findings for the past year and areas of focus during 2017/18.
