	Funding allocation
Integrated transport programme sub-block	2020/21 (£m)
Access to local facilities (e.g. footway improvements and new crossings)	1.290
Bus improvements (e.g. bus stop infrastructure and bus stop clearways)	0.416
Capacity improvements (e.g. traffic signal and junction improvements to reduce congestion)	0.705
Cycling and health (match funding for Miner2Major project and visitor economy realted route improvements)	0.700
Environmental weight limits (e.g. HGV weight limits and HGV route signing)	0.050
Traffic monitoring and advanced development and design of future schemes	0.600
Parking (e.g. review of parking in town centres, and delivery and review of new residents' parking schemes)	0.050
Rail improvements (e.g. small scale improvements to services and stations as well as feasibility studies on large scale improvements)	0.055
Safety improvements (e.g. local safety schemes, including £100k for the provision of crossing facilities on routes to school)	0.820
Smarter choices (e.g. measures to help people access work by bus or walking and support for businesses developing travel plans)	0.250
Speed management (e.g. addressing local speed concerns, 20mph speed limits and interactive signs)	0.175
Additional County Council capital allocation for road safety	0.350
Enhanced rail services	0.055
TOTAL	5.516

The £350k additional County Council funding for road safety will be included in the safety improvments sub-block to address injury accidents
