<b>Total</b>	<b>7854 (151 per week)</b>
--------------	----------------------------

Kirkby Primary Care Centre has capacity for an additional 2,000 patients and have recruited an additional female GP giving typical access of 150 appointments per week.

(\*) between 2009 and 2011 these practices have seen a total of 2030 patients de-registering. They have not reduced GP capacity so have capacity to achieve the total weekly contacts for their 5 practices (85)

(!) Ashfield House - in a typical week, there are 40 free slots to see a GP or Nurse

(!) Lowmoor Road will meet demand through extending hours of nurse practitioner who will flex hours to meet need.

space for text relating to health care complex

(^) Kirkby Health Centre - In a typical week, 18 free slots to see a GP. Practice also preparing to run additional GP session.

(+) Family medical centre data relates to number of unfilled slots in a typical week

(&) Either GP on duty or nurse will always see patients same day

(\$) Either GP on duty or nurse will always see patients same day

NB: GP appointments assumed to be 10 minutes, Nurse appointments assumed to be 15 minutes
