

## Children and Young People's Committee: Performance for 2015/16

For Nottinghamshire, the performance data available at the end of quarter 1 2015/16 is reported. The most recent data for national average and children's services statistical neighbours is reported, where available. Please note, comparisons may be indicative only, as the reporting periods are not necessarily aligned. Where Nottinghamshire performance meets or exceeds the latest national performance information, this is highlighted by the emboldened boxes.

**Key: (p) = provisional data; (+) = better than previous value; (-) = worse than previous value; (=) = same as previous value; (n/a) = not comparable to previous value**

<sup>1</sup> This data relates to a small number of young people. Those regarded by the Department for Education as in unsuitable accommodation included unaccompanied asylum seekers, who left the country for a variety of reasons, and other young people who were in custody. All other Nottinghamshire young people leaving care were in accommodation regarded as suitable.

\* This indicator definition changes every year with a new threshold set by the Department for Education. The threshold for 2012/13 was 20 months, 2013/14 was 18 months and 2014/15 is now 16 months.
