

REPORT OF CORPORATE DIRECTOR - PLACE

**DEVELOPMENT MANAGEMENT PROGRESS REPORT AND END OF YEAR
PERFORMANCE**

Purpose of Report

1. To report on planning applications received by the Development Management Team between 5th March 2016 and 31 March 2016 and to confirm the decisions made on planning applications since the last report to Members on 22 March 2016. The report also covers end-of-year performance.

Background

2. Appendix A highlights applications received since the last Committee meeting, and those determined in the same period. Appendix B highlights applications outstanding for over 17 weeks. Appendix C is a table of County Council performance nationally, for the year ending 31 December 2015.

‘County Matter’ planning applications

3. ‘County Matter’ applications relate to proposals for Minerals or Waste development. In the 12 months up to 31 March 2016, a total of 60 County Matters were received, 2 of which were accompanied by environmental statements. This compares with 56 received in the same period 2014/15. 39 were outstanding as at 1 April 2015, so this gave a total of 99 to be processed in 2015/16 compared to 84 in 2014/15.
4. A total of 54 County Matter applications were determined throughout the year, compared with 37 in the previous year. Table 2 (overleaf) shows the performance over the year, indicating the time taken to determine applications. In addition of the 54 applications determined, 6 were withdrawn and 11 were returned. As at 1 April 2016, 28 applications were on hand. Of the 54 applications determined, planning permission was granted for 52 and 2 were refused. These were:

- (i) Erection of a steel framed building for use as a materials recycling facility (MRF), Trent Skip Hire Limited, Quarry Farm Transfer Station, Bowbridge Lane, New Balderton, Newark; and
 - (ii) Land reclamation of former mineral workings through the importation of inert waste with restoration to notable native and alien plant species habitat, characteristic of the Cropwell Bishop Gypsum spoil wildlife site, Canalside Industrial Park, Kinoulton Road, Cropwell Bishop. (An appeal has recently been received from the applicant Chris Allsop Properties.)
- 5. Committee has resolved to grant planning permission for a further four applications, subject to the signing of S106 Legal Agreements. These are East Leake Quarry, Rempstone, and Besthorpe Quarry, Besthorpe near Newark, both for extensions to existing quarries; Stud Farm at Rufford to raise the height of the anerobic digester domes; and Springwater Golf Club, Moor Lane, Calverton for improvements to the course using site derived and imported soils.
- 6. This is the first year the performance report will reflect the Government's introduction of a new method of measuring the County Council's performance for determining planning applications. All county matter applications are classed as major applications and therefore should be determined within either a 13 week period or a 16 week period for applications accompanied by an Environmental Statement. If the Authority considers that an application is not going to be determined within these timescales, it is allowed to ask applicants for a time extension. If the time extension is agreed, and the application is determined within the agreed time extension, the Authority will meet the required performance criteria. Reasons for seeking time extensions can range from the need to undertake further consultations, the timing of committee cycles or competing workload pressures.
- 7. The figure for applications dealt within 13 weeks for the period 2014/2015 was 50% (see Table 1 below), compared to 57% for 2015/16 (see Table 2 below). However, with the inclusion of applications dealt within the agreed time extension the figure rises to 89% (see Table 2 below). This compares to the present Government target of 50% of applications to be dealt with within 13 weeks or an agreed time extension.

Table 1 Annual Performance 2014/15

No. of County Matter applications determined	Within 8 weeks*		Within 13 weeks*		Within 17 weeks*		Over 17 weeks		Total	
	no	%	no	%	no	%	no	%	no	%
April 2014 to March 2015	6	17	18	50	25	69	11	31	36	100

* The figures are cumulative

No. of County Matter applications determined	Within 8 weeks*		Within 13 weeks*		Agreed Time Extension		Over 17 weeks No Time Extension		Total	
	no	%	no	%	no	%	no	%	no	%
April 2015 to March 2016	13	24	31	57	17	89	6	11	54	100

*The figures are cumulative

County Matter applications determined under delegated powers:	31
County Matter applications determined by Committee:	17
County Matter applications withdrawn:	06
County Matter applications returned:	11
County Matter EIA applications determined by Committee	06
Total	71

8. The Development Management Team has continued to deal with other types of applications during the past year; these include Non-Material Amendments (31 compared to 27 in 2014/2015) and the discharging of details required by conditions (59 compared to 83 2014/15). It has received and determined 11 applications for Certificate of Lawfulness of Proposed Use Development, an example of this being Severn Trent Water's proposals to install solar panels at their property (Sewage Treatment Works), a process that requires a formal notification that the works would be permitted development. The team has also provided 7 'screening opinions' upon receipt of a specific 'screening requests' in addition to screening all planning applications received to assess whether they trigger the need for Environmental Impact Assessment (EIA). In cases where it has been determined that EIA is required, the team has also carried out 8 'scoping opinions' liaising with statutory bodies and other consultees to obtain their views on what environmental topics the EIA should contain. The team offers formal pre-application advice (12) and advice in respect of permitted development rights (14) where officers determine

whether proposals can be carried out without the need for formal planning permission. Consultations are also received from other statutory bodies, for example the Environment Agency, who consult the team on waste management licences and environmental permits.

9. Similarly, the district/borough councils consult the County Council on planning applications which may affect mineral or waste sites, for example a wind turbine on a sewage treatment works. Views are also sought on significant proposals outside but close to the county boundary. These matters are dealt with by the Council's Planning Policy Team.
10. The County Council recently introduced charges for providing pre-application advice. To date this has generated a modest income although it is proposed to keep the scheme under review.

County Council Development

11. The County Council determines applications for its own development under the procedures laid down in the Town and Country Planning General Regulations 1992 (usually Regulation 3). This is a privileged position afforded to local authorities and it is essential that applications for the County Council's own developments are subject to the same level of scrutiny as that for other applicants. In the 12 months up to 31 March 2016, a total of 58 County Council development applications had been received. This compares with 103 in the same period last year.
12. 27 applications were outstanding as at 1 April 2015 giving a total of 85 to be processed during last year, compared to 128 in 2014/2015. As at 1 April 2016, 15 applications were on hand.
13. During 2015/2016 a total of 61 County Council applications were determined, all of which were granted permission. A further 4 applications were withdrawn and 5 applications returned by the applicant department.

Table 3 Annual Performance

No. of County Council Developments applications determined	Within 8 weeks*		Within 13 weeks*		Within 17 weeks*		Over 17 weeks		Total	
	no	%	no	%	no	%	no	%	no	%
April 2013 to March 2014	20	43	25	54	31	67	15	33	46	100
April 2014 to March 2015	34	49	55	80	61	88	8	12	69	100
April 2015 to March 2016	32	52	47	77	52	85	9	15	61	100

*The figures are cumulative

County Council Development applications determined under delegated powers:	50
County Council Development applications determined by Committee:	11
County Council Development applications withdrawn :	04
Count Council Development applications returned:	05
Total	70

14. The Development Management Team has dealt with other matters relating to the County Council's own development during the year. These include Non-Material Amendments (18, compared to 11 in 2014/15); the discharge of conditions on applications that have been granted planning permission (250, compared to 186 2014/15); and permitted development proposals (13, compared with 27 in 2014/15).

Outstanding applications

15. The Department has previously historically set itself a target of 65% of County Council Development applications to be determined within 13 weeks. In the year just ended, 77% of such applications were determined within that timescale. By far the majority of these applications are dealt with under delegated powers. These applications are not included in the DCLG performance statistics.
16. At the start of this new financial year, a total of 28 County Matter applications and 15 County Council development applications are outstanding. A list of those applications outstanding for longer than 17 weeks is attached as Appendix B.

National performance

17. The Department for Communities and Local Government produces statistical information on planning applications received and determined by County

Planning Authorities. The latest available tables include performance for the year ending December 2015 and are attached as Appendix C.

18. In that period, Nottinghamshire received 53 County Matter applications (i.e. minerals and waste applications), the fourth highest amongst County Councils in England, and determined 44, again fourth highest in the country. This compared to 59 received (third highest) and 37 determined (14th highest) in the year ending December 2014.
19. In terms of County Council developments (Regulation 3 applications), Nottinghamshire determined 38 applications in the year ending December 2015, compared to 56 during the period ending December 2014.

Monitoring and Enforcement

20. The determination of planning applications goes hand in hand with the monitoring and enforcement of development. A separate report on Monitoring and Enforcement work over 2015-2016 will be presented to the next available Committee.

Appeals

21. The County Council was involved in a Public Inquiry for the proposed development of the Bilsthorpe Energy Centre (BEC) to manage unprocessed and pre-treated waste materials through the construction and operation of a Plasma Gasification Facility, Materials Recovery Facility and Energy Generation Infrastructure together with supporting infrastructure, at Bilsthorpe Business Park, off Eakring Road, Bilsthorpe. The application was presented to Committee in November 2014 where it was resolved to grant planning permission upon the signing of a S106 Legal Agreement. The application was then called in by the Secretary of State and a Public Inquiry was held in November 2015. The Secretary of State is due to announce his decision shortly.

Ombudsman investigations

22. No complaints have been referred to the Local Government Ombudsman (LGO) in the reporting period.

Development Plan progress

23. Progress continues to be made in the preparation of new planning policy documents that will replace those saved policies within the adopted Nottinghamshire and Nottingham Waste Local Plan and the Nottinghamshire Minerals Local Plan that are becoming increasingly out of date.

24. Following adoption of the Nottinghamshire and Nottingham Replacement Waste Local Plan Waste Core Strategy Part 1 in December 2013, work is underway on the Part 2 of the Replacement Waste Local Plan. This will allocate specific sites for waste management use alongside a set of more detailed development management policies to ultimately supersede those saved in the Waste Local Plan.
25. The new Minerals Local Plan seeks to set out an overall approach to future minerals provision within the County up to 2030. Key issues will be the amount of minerals needed to meet demand, the location of future sites and the social and environmental impacts of mineral working. The first stage of the consultation in 2012 on 'Issues and Options' was followed in late 2013 by a second stage of consultation on the Minerals Local Plan Preferred Approach. Additional consultation was carried out in May 2014 on sand and gravel provision followed by a further consultation on sand and gravel provision in respect of Shelford West in October 2014. The most recent formal consultation on the Minerals Local Plan Submission Draft document closed on Tuesday 29th March 2016. All the representations received will be considered before approval is sought from Full Council to submit the Minerals Local Plan and supporting documents to the Secretary of State in advance of an examination in public led by an independent inspector.

Other Issues

26. Aside from the day to day determination of planning applications and related matters, there have been a number of changes to the way the Development Management Team works over the last year.
27. The Council's Scheme of Delegation for Planning Applications was updated in October 2015 to reflect legislative changes relating to matters such as referral of applications to the Secretary of State, in addition to allowing applications involving emerging technologies to be referred to committee.
28. The Council's Guidance Note on the Validation of Planning Applications was updated in February 2016 in order that the guidance note itself remains valid (local validation lists cannot be used in the validation of planning applications unless they are reviewed every two years).
29. The Town and Country Planning (Development Management Procedure) (England) Order 2015 was issued in April 2015 and consolidated the previous Order and the various amendments which followed it. The new Order now requires planning authorities to determine submissions made under a planning condition within a prescribed time, otherwise the applicant is treated as having deemed discharge for the submission. Planning authorities are also required to state the reason for attaching any conditions which require approval prior to a development starting.
30. The Town and Country Planning (General Permitted Development) Order 2015 was also introduced in April 2015. The order introduced new permitted

development rights allowing sewerage undertakers to install operational kiosks not exceeding 29 cubic metres and new permitted development rights for the installation of solar PV panels with a generating capacity up to one megawatt on the roofs of non-domestic buildings subject to certain restrictions.

31. The Development Management Team's planning applications and monitoring and enforcement database has been subject to further improvements in order to increase the efficiency of the team's work. These improvements largely centre on the increased use of electronic communication, rather than generating significant printing and postage costs as has been the case in the past and further developments to the database to bring about yet more efficiencies are planned for the future.

Statutory and Policy Implications

32. This report has been compiled after consideration of implications in respect of finance, the public sector equality duty, human resources, crime and disorder, human rights, the safeguarding of children, sustainability and the environment, and those using the service and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

RECOMMENDATIONS

33. It is RECOMMENDED that the report and accompanying appendices be noted.

TIM GREGORY

Corporate Director - Place

Constitutional Comments

"The report is for noting only. There are no immediate legal issues arising. Planning and Licensing Committee is empowered to receive and consider the report." [HD – 12/04/2016]

Comments of the Service Director - Finance

Comments of the Service Director – Finance The contents of this report are duly noted – there are no direct financial implications. [SES- 12/04/2016]

Planning Applications Received and Determined
From 7th March 2016 to 31st March 2016

Division	Member	Received	Determined
BASSETLAW			
Retford West	Cllr Ian Campbell		Single storey extension to existing ground floor building. St Giles School, Babworth Road, Retford. Granted 09/3/2016
Worksop East	Cllr Glynn Gilfoyle	Extension to existing foundation unit, including demolition of Portacabin. Erection of a three-classroom modular building, with related works and associated alterations to access including a new path link from Milton Drive. St Augustine's School Complex, Longfellow Drive, Worksop. Received 10/03/2016	
Blyth & Harworth	Cllr Sheila Place		Variation of condition of planning permission 1/14/00537 to enable minerals development to be completed by 31/12/2023. Scrooby South, Great North Road, Scrooby. Granted 22/03/2016 (Committee)

Division	Member	Received	Determined
Tuxford	Cllr John Ogle		Installation of coal ash processing plant equipment, Cottam Power Station, Outgang Lane, Cottam, Retford. Granted 31/03/2016
MANSFIELD			
Mansfield South	Cllr Stephen Garner Cllr Andy Sisson	Construction of new 8-class single storey freestanding building including hall and ancillary spaces. Construction of sprinkler tank compound; new 2.4m high security fence to boundary; 2 new 5-a-side grass pitches; enlarge staff car park, retaining walls, new footpaths, steps, ramp and macadam hard play areas. Demolition of section of existing masonry wall and ramp. Construction of new timber screen to staff car park and associated re-grading and external works. King Edward Primary School, St Andrews Street, Mansfield. Received 14/03/2016	
Mansfield West	Cllr Joyce Bosnjak Cllr Parry Tsimbiridis	Single storey 3 class building, Crescent Primary and Nursery School, Booth Crescent, Mansfield. Received 30/03/2016	
NEWARK & SHERWOOD			

Division	Member	Received	Determined
Collingham Southwell & Caunton	Cllr Maureen Dobson Cllr Bruce Laughton		Application for a new planning permission to replace extant planning permission 3/03/02626 CMA in order to extend the time limit for implementation, incorporating new access arrangements. Cromwell Quarry, Land to the east of the A1, Slip Road A1, Cromwell, Newark. Granted 09/03/2016 (Committee)
Blidworth	Cllr Yvonne Woodhead		Temporary stockpile of sand at Rufford sand Quarry until September 2019 to be used for the restoration of adjoining land associated with the Rufford coal fines recovery operation. Rufford Sand Quarry, Former Rufford Colliery, Land South of Eakring Road, Rainworth. Granted 10/03/2016
Balderton	Cllr Keith Walker	Varying the requirements of Conditions 1 & 2 of Planning Permission 3/14/00896/CMA to extend the timetable for completing the restoration and aftercare planting of Staple Quarry (Gypsum) landfill and Ayers Rock until 31st December 2016. Staple Quarry Landfill Site, Grange Lane, Cotham. Received 11/03/2016	

Division	Member	Received	Determined
Rufford	Cllr John Peck		Steel framed, open fronted, three sides partially clad building. Oakwood Fuels Limited, Brailwood Road, Bilsthorpe. Granted 21/03/2016
Blidworth	Cllr Yvonne Woodhead		Erection of a modular building with link canopy. Bilsthorpe Highways Depot, Bilsthorpe Business Park, Eakring Road, Bilsthorpe. Granted 22/03/2016 (Committee)
ASHFIELD			
Sutton in Ashfield West	Cllr Tom Hollis		We would like to place an 'Outdoor Classroom' on our school playing field. Mapplewells Primary School and Nursery, Henning Lane, Alfreton Road, Sutton in Ashfield. Granted 16/03/2016

Division	Member	Received	Determined
Sutton in Ashfield North	Cllr Jason Zadrozny		Construction of 2 single storey classroom extensions for Key Stage 1 and Key Stage 2. Dalestorth Primary and Nursery School, Hill Crescent, Sutton in Ashfield. Granted 17/03/2016
BROXTOWE			
Chilwell & Toton	Cllr Dr John Doddy Cllr Richard Jackson		Proposed development of 165 place primary and 25 place nursery school with sports playing field, car parking, lighting and associated landscaping works and CCTV (including demolition of existing school building). Sunnyside Spencer Academy, Great Hoggett Drive, Chilwell. Granted 17/03/2016
GEDLING			
Calverton	Cllr Boyd Elliott		Single storey foundation classroom extension with external canopy and associated landscaping and fencing. Manor Park Infants and Nursery School, Flatts Lane, Calverton. Granted 23/02/2016 (Committee)
RUSHCLIFFE - None			

Applications outstanding over 17 weeks at 31st March 2016

Division	Member	Description	Weeks Out Standing	Comments
BASSETLAW				
Misterton	Cllr Liz Yates	To develop a hydrocarbon wellsite and drill up to two exploratory hydrocarbon wells (one vertically and one horizontally) by use of a drilling rig together with associated ancillary works. The proposed development will be carried out in four phases: Phase 1 - Wellsite construction; Phase 2 - Drilling of up to two exploratory wells for hydrocarbons including potential shale gas (the first one vertical and the second one horizontal); Phase 3 - Suspension of wells and assessment of drilling results; Phase 4 - Site decommissioning, well abandonment and restoration. Land off Springs Road, Misson	24	Awaiting Regulation 22 further information.
Worksop East	Cllr Glynn Gilfoyle	Retrospective application to vary condition 3 of planning permission 1/02/12/00126 to allow for changes to the scheme during construction. Worksop Sewage Treatment Works, Rayton Lane, Worksop	28	Received additional noise report, re-consultation underway.

Division	Member	Description	Weeks Out Standing	Comments
MANSFIELD				
Mansfield East	Cllr Alan Bell Cllr Colleen Harwood	Importation of 123,000 cubic metres (approx. 250,000 tonnes) of soils and construction wastes to facilitate the remodelling and upgrading of the existing practice ground outfield and short game area, construction of covered practice bays and extension of car park. Sherwood Forest Golf Club, Eakring Road, Mansfield.	26	Awaiting confirmation from the applicant to withdraw current application and re-submit a new application.
NEWARK & SHERWOOD				
Newark West	Cllr Tony Roberts	Regularisation of use of additional land in connection with scrapyard, Briggs Metals Limited, Great North Road, Newark	272	Exchange of correspondence with the applicant, awaiting a response. Further letter sent with a dead line for a response.
Rufford	Cllr John Peck	Proposed development of the Bilsthorpe Energy Centre (BEC) to manage unprocessed and pre-treated waste materials through the construction and operation of a Plasma Gasification Facility, Materials Recovery Facility and Energy Generation Infrastructure together with supporting infrastructure. Bilsthorpe Business Park, Off Eakring Road, Bilsthorpe	123	Resolved to grant permission at 18/11/2014 Planning & Licensing committee. Called In by Secretary of State 19/12/2014. Public Inquiry held in November 2015 and decision from SOS expected in April 2016

Division	Member	Description	Weeks Out Standing	Comments
Collingham	Cllr Maureen Dobson	To vary conditions 2, 4, 24 and 25 of planning consent 3/02/02403CMA to facilitate an extension of time to 31 December 2022 for the extraction of the remaining sand and gravel reserves with restoration to be completed within 12 months thereafter and also amendment of the approved restoration and working plans. Besthorpe Quarry, Collingham Road, Collingham	71	Resolved to grant permission upon the agreeing and signing of S106 Legal Agreement
ASHFIELD				
Hucknall	Cllr Alice Grice Cllr John Wilkinson Cllr John Wilmot	Planning application for the continued use of an Aggregates Recycling Facility at Wigwam Lane for the treatment of waste to produce soil, soil substitutes and aggregates. Total Reclaims Demolition Ltd Wigwam Lane, Bakerbrook Industrial Estate, Hucknall	190	No change- Still awaiting traffic impact assessment from the applicant
Hucknall	Cllr Alice Grice Cllr John Wilkinson Cllr John Wilmot	Construction of a new waste transfer building to reduce dust and noise including an overflow picking station plus the consolidation of the site into a single waste transfer station. 15B Wigwam Lane, Hucknall.	57	Presented to Committee 19/01/2016, where it was resolved to grant permission upon the agreeing and signing of S106 Legal Agreement

Division	Member	Description	Weeks Out Standing	Comments
Sutton in Ashfield East	Cllr Steve Carroll	Installation of a 5MW Solar PV Array with associated access track and temporary construction compound. Two Oaks Quarry, Derby Road, Mansfield.	29	Awaiting further ecology information, then delegated report to be prepared.
Kirkby in Ashfield North	Cllr John Knight	Proposed construction and operation of a recyclates bulking, waste transfer facility with associated infrastructure including external recyclates bays, weighbridge, weighbridge cabins, welfare facilities, parking areas, wash bay, sprinkler tank and associated pump house, site access improvements and landscaping, on land off Welshcroft Close, Portland Industrial Estate (part of the Former Summit Colliery), Kirkby-in-Ashfield.	23	Can be found elsewhere on the agenda
BROXTOWE				
Kimberley & Trowell	Cllr Ken Rigby	Change of use to waste timber recycling centre including the demolition of existing building and construction of new buildings. Shilo Park, Shilo Way, Cossall	167	No change - Noise issues still be resolved. Under government guidance new green belt issues raised concerning landscape

Division	Member	Description	Weeks Out Standing	Comments
GEDLING				
Newstead	Cllr Chris Barnfather	Improvement works to the country park involving the remodelling and partial in-filling of lake 2 for development as a fishery, and wider landscape improvement works and path upgrades, in total requiring the importation of circa 17,000m3 of inert materials and soils. Newstead and Annesley Country Park, Newstead Village	174	Resolved to grant permission upon completion of S106 agreement at Committee on 25/02/2014. Applicant is re-opening negotiations for the completion and signing of the of the legal agreement – No Change
Calverton	Cllr Boyd Elliott	Improvements to Springwater Golf Club including the conversion of the practice range into a 6 hole Par 3 course; relocation and raising of 10th Tee and widening and lengthening of the 17th fairway using site derived and imported soils. Springwater Golf Club, Moor Lane, Calverton	44	Resolved to grant permission upon completion of S106 agreement at Committee on 19/01/2016.
RUSHCLIFFE				
Soar Valley	Cllr Andrew Brown	Request for none compliance of condition 6 of planning permission 8/12/01488/CMA to extend the time period necessary to restore land. East Leake Quarry, Rempstone Road, East Leake	Not counting	Revised restoration scheme received and consulted upon, which has raised landscaping and bird strikes issues, which need to be resolved. Held in abeyance by the applicant to run with the Extension application

Division	Member	Description	Weeks Out Standing	Comments
Soar Valley	Cllr Andrew Brown	Application to consolidate previous planning permissions and extension of existing quarry involving the extraction of sand and gravel with restoration to agriculture and conservation wetland. Retention of existing aggregate processing plant, silt lagoon and access/haul road. East Leake Quarry, Rempstone Road, East Leake	86	Presented to Committee on 20/10/2015 and was resolved to grant permission upon the agreeing and signing of S106 Legal Agreement. The applicant has asked for an extension of time until 31 st August 2016 to complete the S106 agreement.
Ruddington	Cllr Reg Adair	Section 73 planning application to vary condition 3 of planning permission 8/12/01028/CMA, condition 7 of planning permission 8/96/79/CMA and condition 9 of planning permission 8/94/00164/CMA to extend the permitted operational hours from 0730 hours to 0600 hours Mondays to Saturdays to allow 12 outbound pre-loaded HGV movements from the site and to bring forward the operating time on the IBA waste transfer area from 0730 hours to 0700 hours Mondays to Saturdays. Bunny Materials Recycling Facility, Loughborough Road, Bunny	22	Further information submitted, re-consultation process to be undertaken.
