

23rd September 2012

Dear Councillor Pepper,

Angela and I would like to thank you for your kind welcome, and a most interesting and enjoyable Celebration on Saturday.

Although we have been to County Hall several times, we had never experienced a guided tour of the really important places, and found it most impressive. We met and talked to several members of your staff in the exhibition room, and appreciate the fascinating work that they do to preserve and enhance our wonderful county. Our thanks to them all as well.

We wish you and the Council continued success in these very difficult times.

Yours sincerely

Angela & Peter Berry.
