

---

# **Presentation to Nottinghamshire Health and Wellbeing Board 11 January 2012**

---

# Mansfield and Ashfield Clinical Commissioning Group

- 31 practices
- 180,000 patients
- Excellent alignment between registered and resident populations

# How we are organised

- Clinically led
- Lay Chair
- 2 Lay members – linked to our Citizens Reference panel
- Nurse and secondary care board members
- Innovative joint Clinical Executive with N&S CCG and SFHT

# Our Current Spend

- Sherwood Forest - £94 million
- Community Services - £27 million
- Mental Health - £20 million

(approximate)

# **Our Strategic Priorities have been developed in response to our identified health needs. We are currently consulting on these.**

1. Care of the elderly in the community
2. Planned care
3. Mental health and substance misuse
4. Prescribing
5. End of life
6. Cardio-vascular disease and prevention
7. Access and urgent care
8. COPD (Chronic Obstructive Pulmonary Disease)
9. Children's Health
10. Cancer

# Our Values - PARTNERS

<i>Patient</i>	Our focus will always be on our service to patients
<i>Accountable</i>	We will be accountable for, and honest and open about, the decisions we make
<i>Responsive</i>	We will listen and respond to what people tell us about the services we commission
<i>True Partners</i>	We will work collaboratively with all of our partners who can help to <b>Improve the Health and Wellbeing of People in Mansfield and Ashfield</b>
<i>Near to home</i>	Services Near to home, so long as they are Safe, Clinically Effective and Cost Effective
<i>Equitable</i>	We will recognise the diverse needs of our population and ensure services are available on a fair and equitable basis
<i>Respect</i>	We will be mindful of how we work and of the impact our actions might have on others
<i>Seamless</i>	We will work hard with others to provide integrated services to improve the patient experience

- Essential to stop silo working
- Forge relationships
- Blend resources
- Buy in from All
- Facilitative leadership
- Practical solutions for innovative and integrated models of care that provide system sustainability
- Solutions that are co-produced- to include clinical and management expertise, elected members, public
- Local democratic legitimacy for decision-making

# Practical partnerships

1. Citizens' Reference Panel
2. Mansfield Area Strategic Partnership (MASP)

# MASP to include

1. SMEs
2. Health
3. Law and order
4. Education
5. Public
6. Local authority
7. CVS and interest groups
8. Sport
9. Media

# MASP further potential

1. Early signs of alignment between Mansfield and Ashfield
2. Potential for media engagement to help inform public of some of our intentions
3. Potential 'local implementer' of the Health and Wellbeing Strategy
4. Partner organisations being galvanised by common branding

# For example...

1. Mansfield Learning Partnership
2. Workplace Health
3. Apprenticeships
4. Relationship between alcohol and crime

**Clinical Commissioning provides the opportunity to change pathways and work differently with our partners...**

***“If we always do what we always did  
we always get what we always got”***

(Attributed to Henry Ford)
