1. The purpose of the report is to seek approval for the Chairman of the Adult Social Care and Health Committee to attend the National Children and Adult Services Conference being held in Manchester from 2nd to 4th November 2016 and for a report on the outcomes to be brought to the Committee following the conference.

Information and Advice

2. This Committee's terms of reference include approving councillors' attendance at conferences. Members are asked to consider whether attendance at the event should be approved for the Chairman of the Adult Social Care and Health Committee together with the necessary travel and accommodation arrangements.
3. The conference is organised by the Local Government Association (LGA), Association of Directors of Social Services (ADASS) and Association of Directors of Children's Services (ADCS). It addresses issues for children and adults and is regularly attended by more than 1,000 delegates.
4. The Corporate Director of Children, Families and Cultural Services and the Corporate Director of Adult Social Care, Health and Public Protection will also attend the conference. A report will be submitted to the Children and Young People's Committee on 21st March 2016 with regard to approval for the Chairman of that Committee to attend the conference.

Reason/s for Recommendation/s

5. It is recommended that approval is given for attendance at the conference so that the County Council's representatives can consider issues that are vital to councillors, senior officers, policymakers and service managers with responsibilities for adult social care and children's services in the statutory, voluntary and private sector. It is also an important opportunity for networking with partners and MPs in related fields.

Statutory and Policy Implications

6. This report has been compiled after consideration of implications in respect of finance, the public sector equality duty, human resources, crime and disorder, human rights, the safeguarding of children, sustainability and the environment and those using the service and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.

Financial Implications

7. The cost of attendance at the conference is £450 plus VAT per person. Two or three nights' accommodation will also be necessary. An estimate from the conference information suggests a hotel within reasonable walking distance from the conference venue will cost a minimum of £60 per person per night for bed and breakfast. These costs can be met from the Directors' budget.
8. The costs of attendance for the Chairman of Adult Social Care and Health Committee would be met from the Member Training Budget.
