Dear Stephen

Thank you for notifying Nottinghamshire County Council about the Community Governance Review that you are currently undertaking within the District.

The Council appreciates that this is the first of two periods of consultation and that at this time other proposals are likely to come forward.

At this stage Nottinghamshire County Council would like to acknowledge our interest in the review but we do not wish to make comments at this time.

The Council reserves the right to respond during the second consultation stage, after the final draft recommendations have been published. We can then consider these in conjunction with submissions and comments made by local communities during the first phase of consultation. We will therefore consider whether a formal response providing comment and response is required at that time.

Yours sincerely
