

Report to Personnel Committee

13th June 2012

Agenda Item: 11

REPORT OF CORPORATE DIRECTOR, POLICY, PLANNING AND CORPORATE SERVICES

WORK PROGRAMME

Purpose of the Report

1. To consider the Committee's work programme for 2012/13.

Information and Advice

- 2. The County Council requires each committee to maintain a work programme. The work programme will assist the management of the committee's agenda, the scheduling of the committee's business and forward planning. The work programme will be updated and reviewed at each pre-agenda meeting and committee meeting. Any member of the committee is able to suggest items for possible inclusion.
- 3. The attached work programme has been drafted in consultation with the Chairman and Vice-Chairman, and includes items which can be anticipated at the present time. Other items will be added to the programme as they are identified.
- 4. As part of the transparency introduced by the new committee arrangements, committees are expected to review day to day operational decisions made by officers using their delegated powers. It is anticipated that the committee will wish to commission periodic reports on such decisions. The committee is therefore requested to identify activities on which it would like to receive reports for inclusion in the work programme.
- 5. A further element of transparency is reports from officers on the activity of working groups which relate to this committee's terms of reference. The committee is requested to consider whether it wishes to receive reports on the following groups on which officers are represented:

Name of Group	Background Information
Compliance Board	To review compliance and progress against Health and Safety legislation, monitor H&S performance and maintain action plans to rectify and deal with issues (legislative responsibility and accountability lies with Management on this issue). Chaired by Corporate Director, Environment and Resources.

6. It is also expected that the committee will wish to receive regular reports on outside bodies. Administration Committee, which has overall responsibility for outside bodies, will decide which outside bodies should report to which committees. There will be a report to a future meeting about this.

Other Options Considered

7. None.

Reason/s for Recommendation/s

8. To assist the committee in preparing its work programme.

Statutory and Policy Implications

9. This report has been compiled after consideration of implications in respect of finance, equal opportunities, human resources, crime and disorder, human rights, the safeguarding of children, sustainability and the environment and those using the service and where such implications are material they are described below. Appropriate consultation has been undertaken and advice sought on these issues as required.
