

**Nottinghamshire
County Council**

Building Better Communities

Community Projects Scheme Suggestion Form

The following form should be completed by community groups setting out your ideas for local environmental enhancement schemes which you think should be included in the Building Better Communities programme. Further details on eligible schemes, and which sorts of groups can put forward proposals, are provided on the attached information sheet. Completed forms should be submitted by **30th September 2009** to your local County Councillor. For further information please contact

Sue Jaques, Communities Department, Nottinghamshire County Council Trent Bridge House, Fox Road, West Bridgford, Nottinghamshire NG2 6BJ

Name of Community Group	
Contact address (inc telephone and if possible e-mail)	
Brief outline of your idea. Please include details of location, and attach plans or designs if possible. Please also describe the main reasons for doing the project, and the benefits which it will bring. Use a separate sheet if necessary.	
Who owns the land on which the proposals would take place?	
Does your project enjoy community support?	

<p>What are the main difficulties you see with delivering the project? What could go wrong?</p>	
<p>How might the project be maintained in the long term once Building Better Communities funding has ended?</p>	
<p>Is the project linked to other current activities to improve the local environment?</p>	
<p>If possible please estimate the cost of the project (even a rough guess is helpful!)</p>	
<p>Do you know of any other funding sources that may help towards the scheme?</p>	

Signature of County Councillor to indicate support

Date Ward

All projects will be assessed, and those which in the County Council's view will bring the greatest benefit will be developed further in consultation with the community group concerned. The highest priority schemes will be implemented in 2010/11. Others may be put on a reserve list for later years. Some may be referred onto other funding agencies. All proposals can expect to receive a response by April 2010.
