

Christmas Sex

Amended lyrics

Yoyoyoyo sumfin for Christmas time
Hold tyt

Both: So you fink u want sex,
But you aint got a clue?
So now what do you do?

Do you take a big risk
Put it in wivout a rubber
But u myt blow ya load too soon?

And if you do dat,
Den you'll soon b a dad
And u might av some nasty flu (on ya soldier!)

You'll feel like a fool
U shud av taken our advice
And wrapped up at Christmas time!

Hartley:
You don't have to rush
And jump into things
You can take it slow
Before u put it in
I mean it might take months
It might take years
But don't let pressure interfear

You gotta make your own choice
It's no one elses
It might be hard
But it won't be selfish
You gotta take the time
And think it frew
U only get one first time
Who's for you?

Both: So you fink u want sex,
But you aint got a clue?
So now what do you do?

Do you take a big risk
Put it in wivout a rubber
But u myt blow ya load too soon?

And if you do dat,
Den you'll soon b a dad
And u might av some nasty flu (on ya soldier!)

You'll feel like a fool

U shud av taken our advice
And wrapped up at Christmas time!

Wen u chose to ignore dat sensible voice
Shoutin in ya hed? R ya brain dead?
