

ANIMALS HAVE RIGHTS AS WELL

In 85% of households where domestic violence occurs an animal is also abused.

41% of children staying in refuge said that they had witnessed threats and actual violence to their pet at home.

www.pawsforkids.org.uk

Some refuges have contact with a 'pet support scheme' where pets are looked after whilst you are in refuge.

How might a pet get used or abused in domestic violence?

Who could look after your pet if needed?
