

Kirkby College Admission Arrangements 2015/2016

The published admission number for Year 7 in September 2015 is 150

YEAR 7 ADMISSIONS

- 1 Children looked after by a local authority or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order
- 2 Children who live in the catchment area and who, at the time of admission, will have a brother or sister attending the school
- 3 Other children who live in the catchment area
- 4 Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for applications preceding admission to secondary school and who, will have a brother or sister at the preferred secondary school at the time of admission
- 5 Children who live outside the catchment area and who, at the time of admission, will have a brother or sister attending the preferred secondary school
- 6 Children who live outside the catchment area but who are attending a linked primary phase school on the closing date for applications preceding admission to secondary school
- 7 Other children who live outside the catchment area

In all of the above standard criteria, the following statements apply:

The following groups of children will be given special consideration in their application for a place at Kirkby College:

- Children whose particular medical needs, mobility support needs, special educational needs or other social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. **The evidence must be presented at the time of application.**
- The Strategic Development and Admissions Committee will consider each case on its merits and determine the allocation of any such place on the basis of written evidence. Admission under 'special circumstances' will take precedence over all but the first numbered criteria.
- In the event of oversubscription, the criteria will be applied, in priority order, to determine which applications will be granted once places have first been allocated to pupils who have a statement of special educational needs which names the school.
- In the event of oversubscription, within any criterion, preference will be given to children who live nearest to the school as the crow flies. Distances are measured from the entrance to the child's home to the principal entrance to the main administrative building of the school using the local Authority's computerised measuring system.
Tie breaker. In the event of two distances being equal, lots will be drawn and independently verified.
- Children of nomadic travellers will be allocated a place if Kirkby College is their catchment area school.

- Where an application has been refused and the number of applications received has exceeded the number of places available, waiting lists will be maintained from offer day.
 - Applications are only placed on the waiting list for a school where they have been refused a place and where it is ranked above a preference that has been allocated
 - Priority on the waiting list will be determined by reference to the admission criteria and not by the date an application was received

Waiting lists are maintained until the end of the Autumn Term for all voluntary controlled and community schools within Nottinghamshire and in partnership with own admission authority schools. Inclusion on a waiting list does not mean that a place will eventually become available. Places on the waiting list are determined by the published oversubscription criteria.

In the event that a parent wishes to appeal against a decision not to award a place, the appeal should be lodged within 20 school days of the date of refusal.

YEAR 12 ADMISSIONS 2015-16

The number of places available for external candidates for Sixth Form entry in Year 12 is 10.

Priority in the first instance for entry into our Sixth Form will be given to students with a statement of special education needs that names Kirkby College.

Where the number of applications for admission exceeds the number of places available, the following criteria will be applied in the order set out below, to decide which children to admit:

- 1 Children looked after by a local authority or who were previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order
- 2 Students who already attend the school.
- 3 Students who do not presently attend the school.

In the event of an over-subscription of the above criteria, proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school.

IN-YEAR ADMISSIONS

From September 2013, local authorities are no longer required to coordinate in year applications for parents in their area (known as "home LA"). The governing body has a right and duty to set and apply their own admission arrangements and oversubscription criteria.

- The school will always notify the Local Authority of both any applications and their outcomes to allow the Local Authority to keep up to date figures on the availability of places in the area.
- Parents will be required to confirm their acceptance of a place to the school within 14 days.
- All applications received in mid-term will be dealt with in accordance with the above Year 7 criteria.

- In the event of an over-subscription of the above criteria, proximity to the school will be used with those living nearer being given priority. Distance measurements to be made 'as the crow flies' from the home address to the main reception office of the school.
- In the event of a place being available in the appropriate year group then that will be offered by governors.
- Where an application is refused notification to parents will include the reasons why; information about the right of appeal; the deadline for appeal and contact details for making an appeal.
- Waiting lists are not held for in-year admissions.

Children of nomadic travellers will be allocated a place at the school if residing permanently or temporarily in the catchment area subject to places being available. In the event of over subscription the application will be referred to the Local Authority to enable a place to be found in a school without delay.

Definitions

Home address

The child's place of residence is taken to be the parental home, other than in the case of children fostered by a local authority, where either the parental address or the foster parent(s) address may be used. Where a child spends part of the week in different homes, their place of residence will be taken to be their parent or parents' address. If a child's parents live at separate addresses, the address where the child permanently spends at least three 'school' nights (i.e. Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Addresses of other relatives or friends will not be considered as the place of residence, even if the child stays there for all or part of the week. Evidence that a child's place of residence is permanent may also be sought. The evidence should prove that a child lived at the address at the time of the application and will continue to live there after the time of admission. Informal arrangements between parents will not be taken into consideration.

In all cases all those with parental responsibility must be in agreement with the preferences made.

Looked after child

The revised School Admissions Code 2012, Section 1, 1.7, has expanded on who should be given priority in admission arrangements with regards to looked after children and children who were previously looked after.

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order 1. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989)

1. An adoption order is an order under section 46 of the Adoption and Children Act 2002.

A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

Parents

- the mother of the child
- an adoptive parent
- the father of the child where he was married to the mother either when the child was born or at a later date
- the father of the child if (since 1 December 2003) he was registered as the father on the birth certificate

- any other person who has acquired 'parental responsibility' through the courts. We may require evidence of this.

Siblings (brothers or sisters)

- a brother or sister who shares the same parents
- a half-brother, half-sister or legally adopted child living at the same address
- a child looked after by a local authority placed in a foster family with other school age children
- a stepchild or children who are not related but live as a family unit, where parents both live at the same address as the child.

Multiple births

Where one child of a multiple birth can be admitted, the other child/children will also be admitted.

Nomadic Travellers

Highly Mobile Gypsy, Roma and Traveller children and young people who are temporarily resident in Nottinghamshire, for example, staying on a temporary roadside encampment, or in the County as part of a travelling fairground or circus.

Catchment area

Most schools and academies are surrounded by a defined geographical area known as their catchment area.

Catchment areas help schools to identify their communities and give parents an indication of their local school, however, there is no guarantee of a place for pupils resident within it or for pupils who subsequently move into the area at a later date, who are considered individually. Living in the catchment area gives students a higher priority for admission to the school over other students who live outside the catchment area.
