

Admissions Policy Statement 2015-2016

General Information

The school's catchment area is that covered by the (civil) Parish Council (i.e. Gamston, Eaton, West Drayton, Rockley and Markham Moor). However, the school has an excellent reputation and many pupils are attracted to the school from further afield. We are a member of *Tuxford Family Collaboration* and Tuxford Academy is our Family comprehensive school and the one to which the majority of our pupils go after leaving Gamston School. Gamston School is a Church of England Voluntary Aided Primary School and as such, its Governing Body, working within the School Admissions Code (2012) and with Nottinghamshire County Council, is responsible for the school's Admissions Policy. Some parents choose Gamston School for religious reasons (i.e. because it is a Church of England School) others for non-religious reasons.

First Admissions

Parents should be aware that they must express a *preference* for a particular school, and to do so are required to complete the home local authority's *common application*. The application forms are available from the home local authority and must be returned to the home LA *by the closing date*. Gamston school's own Supplementary Faith Information Form (see Appendix A) in support of applications made on faith grounds, should also be completed and returned directly to the school by the closing date. *Failure to complete this supplementary form will disadvantage the application*. Late applications will be processed in line with Nottinghamshire County Council's co-ordinated scheme. *The School's Admissions Committee will then apply the oversubscription criteria, if there are more applications than places available..*

In February, on receipt of the LA's list of applications for places at Gamston School, the Admissions committee meets; ranks places according to the system outlined below and places children in order of priority against the oversubscription criteria. In April the LA informs parents whether a place has been offered. Those children not allocated places will be given the right of appeal and have their names placed on a waiting list according to the ranking given. For first admissions i.e. those children applying for a school place in Reception year, the waiting list will open on offer day and will close on 31st December of that year. If a place becomes available it is allocated to the next child on the waiting list. The school will liaise with the LA on admissions and act according to timescales laid down in the School Admission Code (2012).

Key dates for applications for first admissions can be found at www.nottinghamshire.gov.uk/schooladmissions

Pupils will be admitted to school in one entry in September for that academic year. However, a child may be admitted to the school, *at the parent's request*, on a part-time basis in the Autumn Term if their 5th birthday is in the Spring or Summer Term of that academic year. Parents who wish their child or children to attend the school are welcome to make an appointment with the Head Teacher in order that they may visit the school.

In-year admissions

Nottinghamshire County Council operates an in-year co-ordinated scheme in which Gamston School takes part. This does not affect the rights and duties of the Governing Body to set and apply its own admission arrangements and oversubscription criteria. The school will communicate its decision to Nottinghamshire County Council who will notify the parents of the decision to either offer or refuse a place. Parents will be required to confirm their acceptance of a place to Nottinghamshire County Council within 14 days. All applications received for in-year admission will be dealt with in accordance with the school's criteria. Parents will have the right to appeal if a place is refused. *Waiting lists will not be held for in-year admissions.*

Equal Opportunities

The school operates an inclusive, equal opportunities admissions policy. Our new school building is, of course, equipped for children and adults who may have a disability.

General Admissions Information

The Published Admission Number (PAN) for each year group is 14.

Admissions oversubscription criteria in order of priority

Children who have a Statement of Special Educational Needs, in which Gamston School is named, must be admitted to the school.

In the event of requests for places exceeding availability, places at the school will be allocated, by the Governing Body, according to the following criteria:

1. Looked After Children¹ and previously looked after children
2. Children living in the school's catchment area
3. Out of catchment area children who will have a brother or sister ('sibling'²) attending the school *at the time of admission.*
4. Out of catchment area children who are applying on faith grounds under the following criteria:
 - i) Where the child has been admitted to communion in the Church of England before confirmation
 - ii) Where the child has been baptised and whose parent(s) are communicant members of the Church of England or a church that is a member of "Churches Together in England" or the Evangelical Alliance and regularly attend³ worship.
 - iii) Children whose parent(s) regularly attend³ worship at:
 - a) a Church of England or a church that is a member of "Churches Together in

England" or the Evangelical Alliance.
b) a place of worship which follows the teachings of one of the other major world faiths (Buddhism, Hinduism, Islam, Judaism, Sikhism).

Places in this category will be allocated according to the degree of involvement which will be determined by consideration of the evidence given on the faith reference form (see definition ³ following).

Applications must be supported *at the time of application* by a Faith Reference Form (see Appendix A). The supporting statement will be used by the governing body to determine the allocation of places.

5. All other children.

Criteria are applied in order of priority. In the event of over-subscription in any criterion, where all applications are deemed equal, preference will be given to the child living nearest to the school 'as the crow flies', ~~as defined in 5 above~~, measured from the pupil's entrance of their main home to the main administrative entrance of the school using Nottinghamshire County Council's computerized distance measuring software. Where two or more applicants are equal in all respects and it is therefore not possible to differentiate between them, a method of random allocation by drawing lots will be used to allocate places (supervised by someone independent of the school).

Special Circumstances

Consideration will be given to applicants who may establish *at the time of application* medical, special educational or social needs with supporting evidence from a relevant professional. The evidence must be presented at the time of application. Each case will be judged on its merits and the admission authority (The Governing Body) may accord a higher priority to the applicant.

The allocation of any such place will be determined by comparing the written evidence presented along with the capacity for the school for the identified needs. In order to make an assessment of the case, reference may be made to local head teachers and other relevant professionals. Cases agreed under 'special circumstances' will take precedence over criteria 2 to 5 above.

Definition and interpretation

¹ A 'looked after child' means a 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order.* A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

* An adoption order is an order under Section 46 of the Adoption and Children Act 2002. A 'residence order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989

defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

² By 'sibling' we mean: children who live as brother or sister in the same house, including natural brothers or sisters, a legally adopted child living at the same address, stepbrothers or sisters and foster brothers and sisters.

Section 576 of the Education Act 1996 defines 'parent' to include:

- All natural parents, whether they are married or not; and
- Any person who, although not a natural parent, has parental responsibility for a child or young person; and
- Any person who, although not a natural parent, has care of a child or young person.

Having parental responsibility means assuming all the rights, duties, powers, responsibilities and authority that a parent of a child has by law (defined in the Children Act 1989). People other than a child's natural parents can acquire parental responsibility through:

- Being granted a residence order;
- Being appointed a guardian
- Being named in an emergency protection order (although parental responsibility in such a case is limited to taking reasonable steps to safeguard or promote the child's welfare); or
- Adopting a child

³ Regularly attend is defined as attendance for at least once a month over the last 6 months

⁴ 'Place of residence' is defined as the parental home, other than in the case of Looked After children, where either the parental address or the foster parental address may be used. Where a child spends part of the week in different homes, their place of residence will be taken to be their parent's or parents' address. If a child's parents live at separate addresses, whichever of the two addresses the child permanently spends **at least 3** 'school nights' [i.e. Sunday, Monday, Tuesday, Wednesday or Thursday] will be taken as the place of residence. Addresses of other relatives or friends **will not** be considered as the place of residence, even when the child stays there all or part of the week. The School's Admissions Committee or the LA may seek proof of residence and may require evidence from the courts regarding parental responsibilities in these matters.

Evidence that a child's place of residence is permanent may also be sought. Such evidence should demonstrate that the child lived at the address before the application is made and will continue to live there after admission to the school. Informal arrangements, even between parents, are not acceptable.

Evidence

Evidence may be sought by the school's Admissions Authority on any of the above criteria. Applications made in accordance with criterion 4 (on faith grounds) are required to include written confirmation using the Faith Reference form provided in Appendix A from their vicar/minister or faith leader that the criteria are satisfied. This evidence must be received in school *before the*

admission closing date. The final decision on admissions will be made by the Admissions Committee on behalf of the Governing Body.

Should anyone have any concerns regarding admissions, please contact the school and we will be happy to help clarify the process.

APPEALS AGAINST THE GOVERNING BODY'S DECISION TO REFUSE ADMISSION:

If a place is not offered, parents have the right of appeal. Such appeals against refusal of a school place, will be heard by an Independent Appeals Panel formed in accordance with the DfE School Admissions Appeals Code. Appeals should be lodged within 20 school days from the date of notification that the application was unsuccessful. Details of the appeals process will be made available to all unsuccessful applicants at the time of refusal.

Reviewing Our Admissions Policy

Where changes are proposed the school's governing body will carry out consultation in accordance with the School Admissions Code.
