

WORKSOP PRIORY PRIMARY SCHOOL

ADMISSION ARRANGEMENTS 2015-2016

The published admission number is 30 children per year. All applications for the Reception year will be considered in accordance with the admission criteria, as set out below.

All children who are allocated a place will be admitted on the first day of the autumn term.

Attendance in our early years (Foundation 1) at the school does not automatically guarantee a Reception (Foundation 2) place.

Applications must be made on the Common Application Form.

The offer of a school place will be made by the Local Authority to all parents on the 'offer day' set out in the co-ordinated scheme.

The school operates a Waiting List for its intake year group in partnership with Nottinghamshire LA. This is kept and prioritised following the oversubscription criteria until the end of the autumn term.

Children with a statement of special educational needs that names the school will be admitted.

ADMISSION CRITERIA (in order of priority)

1. Looked after children and previously looked after children.
2. Children whose parents are regular worshipping members of the Church of England in any of the Worksop Priory Congregations, who have attended at least twice monthly, for a year, immediately prior to the date of application [**Priory Church, Carburton and Clumber**];
3. Children whose parents are active members of a Church within the "Churches Together in England", who have attended at least twice monthly, for a year, immediately prior to the date of application;

Parents claiming admission under criteria 2 or 3 must complete the supplementary admission form, with Minister verification.

4. Children whose older brothers or sisters will be in attendance at the school at the time of admission, giving priority to those living nearest to school as the crow flies:
[**See definition of Sibling, on final page**]
5. Children of other parents, giving priority to those living nearest to the school as the crow flies.

The Governors reserve the right to vary the priority in respect of children with special educational needs. Distances will be measured "as the crow flies" from the child's home address to the main entrance of the school (using Nottinghamshire County Council's computerised distance measuring software) Within in each category, priority will be given to pupils who live closest to the school 'as the crow flies'. In the event of two distances being equal, lots will be drawn and independently verified.

Special Circumstances: The following groups of children will be given special consideration in their application to the school.

Children whose particular medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the school is the only school which could cater for the child's particular needs. The evidence must be presented at the time of application.

ADMISSIONS TO YEAR GROUPS OTHER THAN THE INTAKE YEAR

The school participates in Nottinghamshire County Council's in-year coordinated scheme.

Governors will consider admission requests and places will be filled in accordance with the admissions criteria unless it can be demonstrated that there would be prejudice to the provision of efficient education or the efficient use of resources. To avoid unnecessary delay, these decisions will normally be made by the Chairman in consultation with the Chair of the Admissions Committee /Governing Body and reported to the next meeting.

All pupils admitted will normally be placed on the school roll at the start of the next term or half term, unless there are extenuating circumstances supporting an earlier admission.

The school participates in Nottinghamshire County Council's Fair Access Protocol.

LATE APPLICATIONS

Should the school receive any late applications either directly or from the LA, these would be dealt with by the Governors. If a space is available, the late application with any others on the waiting list would be viewed alongside the school's admission criteria and the place offered to the child with highest priority rating, strictly in accordance with the Admission Criteria.

Should the year group be full, the family would be notified there was no space available. In both cases the communication with the family would be through the LA.

TRAVELLER CHILDREN

Should any request be made for a place for a traveller pupil, then this would again be dealt with in accordance with the school's Admission Criteria. If a place in the year group was available, it would be offered, but if the year group was full, no place would be offered. Again this information would be communicated via the LA at North Base.

RIGHTS OF APPEAL

When mid-year requests for admission are refused, the applicants will be informed in writing of the reasons by the LA.

For admissions into the intake year through the co-coordinated admissions scheme, the home LA will inform applicants of the outcome of their application and of their right of appeal. Parents should be aware that the school does not deal with "Appeals" rather, parents should contact the Diocesan Solicitors as stated and outlined in their written communication. Appeals should be lodged within 20 school days of the date of the refusal letter.

DEFINITIONS

Parent

The term 'parent' is defined as those who have legal responsibility for the upbringing of a child.

Looked after children and previously looked after children

Looked after and previously looked after

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Previously looked after children are those who were adopted immediately following having been looked after. An adoption order is an order under section 46 of the Adoption and Children Act 2002. A 'residence order' is an order

settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Siblings

- A brother or sister who share the same parent, who live in the same household, and who will be on the school role at the start of the year for which application is being made
- A half brother or sister where two children share one common parent
- A step brother or step sister, where two children are related by a parent's marriage
- Adopted or fostered children living in the same household under the terms of a residence order
- Where one child of a multiple birth can be admitted, his or her brothers and sisters will also be admitted. Where this would extend the class size beyond 30, the Governing Body may relax this rule in consultation with the LA.

MINISTER'S VERIFICATION

All applications claiming admission under criteria 2 or 3 must ensure that the supplementary form is completed by their minister or vicar of religion. This should contain verification they have practiced their faith by worship, on average at least twice a month, for at least a year, immediately prior to the date of application.

If we receive an application which contains fraudulent or deliberately misleading information, any offer of a place will be automatically withdrawn.
