May 20 2010	2746 + online	Against closure of ' The Big House'	The consultation process provided additional information and options not previously considered - County Council now giving further consideration to alternatives provided. Families and others will be able to make comments and contribute to final report	24 June 2010 C&YPS
May 20 2010	100	Against proposed charges for on-street parking permits	Charging for permits for on-street parking schemes is national practice and charges are similar across many authorities, with concessions agreed for Blue Badge Holders and those aged 75+. It is considered fair and equitable that people who benefit from such schemes should contribute to their operation and management and the charge relates to the provision of the permit and administration of the scheme not for 'parking on public highway' County Council committed to review various schemes including Beeston Rylands (from where the petition was collected) and consultation has commenced	24 June 2010 Transport & Highways
June 24 2010	8	Support for proposed new SureStart Centre at Brinsley Primary School	The proposal for the new building was accepted at NCC Planning Committee on 6 July 2010	24 June 2010 C & YPS
June 24 2010	110	Against proposed charges for on-street parking permits – Smithy Cres, Leivers Ave + Rookery Gdns, Arnold	The proposal to charge for permits was approved at NCC Budget meeting on 25 Feb 2010, with concessions for Blue Badge Holders and 75+. Charging for permits is national practice and the charges similar to those applied by other authorities.	24 June 2010 Transport & Highways
June 24 2010	464	Request for zebra/pelican crossing at rear of Selston Arts & Comm. College – Mansfield Road, Selston	The request to be investigated in terms of accident records, vehicle and pedestrian flows and relevant local factors. To be considered for funding 2011/12, should acknowledge severe pressures on funding and availability uncertain.	24 June 2010 Transport & Highways

June 24 2010	?	Rights of Way issue – Bridle Route between Lings Lane, Keyworth and Occupation Lane, Wysall	An independent review to clarify the issues raised and investigate the technical Rights of Way issue and the actions of the service in relation to it	24 June 2010 Transport & Highways

July 22 2010	299	To retain Recycling Centre, Gedling	With the closure of the Gedling Household Waste Recycling Centre the previous users were advised to use the alternative site at Calverton. Fly-tipping will be minimised through pro-active publicity.	16 Sept 2010 Environ & Sustain
July 22 2010	9	Request for Traffic Visibility Mirror etc. on Quarry Lane, Mansfield	It is not standard practice for the Council to install traffic mirrors. It was reported that it is permitted for persons to erect traffic mirrors on private land. Any traffic mirrors erected must not interfere with highway users.	16 Sept 2010 Transport & highways
July 22 2010	14 businesses	Regarding loading and unloading for businesses on Gateford Road, Worksop	It is not appropriate to consider the removal of the peak period loading prohibition, nor allow for a period of grace during the busiest times for loading/unloading to take place, and, it is considered that the current restrictions should remain unchanged.	16 Sept 2010 Transport & Highways
Sept 16 2010	19	A612 Burton Road Bus Priority Scheme Public Consultation	The consultation does not form part of any statutory procedure which the County Council is obliged to follow. It was considered appropriate to introduce experimental changes to the operation of the bus plug. Statutory procedures to introduce experimental changes at the bus plug are currently being implemented which will enable formal comments to be registered with the County Council for consideration.	21 Oct 2010 Transport & Highways
Sept 16 2010	142	Traffic calming measures at the crossroads of Lynncroft/Walker Street, Eastwood	Current policy stipulates that traffic calming will only be considered when a significant reduction in vulnerable road user injury accidents can be expected and on this basis traffic calming cannot be justified at this location. It is proposed to	21 Oct 2010 Transport & Highways

			investigate conditions at the Lynncroft/Walker Street Junction to establish whether any improvements can be made in the light of the accidents that have occurred here and also to investigate whether interactive speed limit signing can be justified.	
Sept 16 2010	61	Obstruction by motor vehicles on the pavement at the end of Allison Gardens, Chilwell	Preventing pedestrians to follow their desired route could not reasonably be deemed to be an obstruction. The parking cannot therefore be displaced by enforcement. The feasibility and cost of providing a footway over the "missing" section will be investigated. This footway would also provide a link to the rear pedestrian access to the nursing home.	21 Oct 2010 Transport & Highways
Sept 16 2010	302	Objection to residents parking scheme in the Dallas Street area of Mansfield	Charging for On-Street parking will continue. Consultation has commenced on reviewing a number of schemes with local circumstances which have changed since their introduction. The petition will be used to form further stages of the review.	21 Oct 2010 Transport & Highways
Sept 16 2010	1004	Objection to residents parking scheme in areas of Hucknall	The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010.	21 Oct 2010 Transport & Highways
Sept 16 2010	109	Remove residents parking scheme in Douglas Street, Oxford Street, Regent Street and Pelham Street, Sutton-in-Ashfield	The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010.	21 Oct 2010 Transport & Highways
Sept 16 2010	25	Enforcement of the speed limit on A606 Melton Road at Stanton on the Wolds.	In order to improve the situation the site will be considered for interactive speed signs and the local Neighbourhood Policing Inspector will take appropriate action to enforce the speed limit. The Parish Council will be kept informed about the sites suitability for interactive speed signs.	21 Oct 2010 Transport & Highways

Sept 16 2010	4,000	Middle Street Resource Centre, Beeston	A report outlining the response to consultation and providing recommendations for future services will be presented to the County Council's Cabinet. If the Cabinet approves any changes which affect the present users of the Day and Resource centres in Bassetlaw, Ashfield and Broxtowe, officers of the council will work with each individual service user and their carers to complete a review of their support needs. This process will provide each person the opportunity to consider the most appropriate means of meeting their social care needs in the future.	21 Oct 2010 Adult Social Care & Health
Sept 16 2010	347	Objection to residents parking schemes in West Bridgford	The residents have been informed that the County Council neither wishes nor intends to impose a scheme on residents where the majority of residents do not wish to have a scheme. The scheme has therefore been cancelled. The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010.	21 Oct 2010 Transport & Highways
Oct 21 2010	263	Regarding the volume and speed of traffic through Colwick Village	The signing and lining around the school and the School Crossing Patrol site will be reviewed under Safer Routes to School in the next financial year to determine if improvements can be made. The Authority has during the past four years carried out a trial using 20mph limits outside selected schools. These have indicated only a small reduction in average speeds and no significant reductions in recorded injury accidents. The current policy of the County Council is therefore that such limits will only be introduced where there is a clear and identified road safety benefit from doing this.	9 Dec 2010 Transport & Highways

Oct 21 2010	134	Objecting to helicopters taking off from and landing on a new helipad close to a bridleway on Stocking Lane, East Leake	Both the construction of a helipad and the issues of change of use of land are planning matters to be determined by Rushcliffe Borough Council (RBC). The matter of the safety of the bridleway would be considered as a material consideration to the determination of the planning application. Planning permission had not been sought by the landowner prior to the construction.	9 Dec 2010 Transport & Highways
Oct 21 2010	17	Request for the removal of parking restrictions on North Green, Calverton	If the scheme were to be removed it would be appropriate to retain the existing waiting restrictions given the limited road width and to protect the turning head. All requests for amendments or removal of existing residents parking schemes will be prioritised and put forward for possible inclusion in a future year's programme for consideration subject to sufficient priority and availability of funding.	9 Dec 2010 Transport & Highways
Oct 21 2010	278	Request for pedestrian crossings at the junction of Ashgate Road and Station Road, Hucknall	The County Council is proposing to signalise the Station Road/Ashgate Road junction as part of the Hucknall Town Centre Improvement Scheme. However, in light of revised Government guidelines, it is not possible to reasonably forecast a commencement date for the scheme. For this reason, it would be appropriate to consider a zebra crossing at this location as an interim measure if formal pedestrian facilities are shown to be justified. It is proposed to carry out surveys of vehicles and pedestrians using all three arms of the junction and to review the pedestrian accident history.	9 Dec 2010 Transport & Highways
Oct 21 2010	1,118	Objection to the sale of care homes in Hucknall	Selling the homes as continuing care services means that the existing residents will be able to continue living at the homes and the staff also will transfer to the new owners. The existing residents will also continue to have their care funded by the Council and the fees for both existing residents	9 Dec 2010 Adult Social Care & Health

This process will provide each person the opportunity to consider the most appropriate means of meeting their social care needs in the future.</p>	
Oct 21 2010	52	Petition regarding the safety of children entering and exiting Westwood Infant School, Ashfield	<p>The accident record for the area outside the school has been checked and reveals that there has been one reported accident in the period Jan 2000 to July 2010. On this basis there is insufficient justification for extensive traffic engineering measures such as traffic calming or speed limits being introduced.</p> <p>The school does not currently have a school travel plan and road safety staff will be visiting the school in the near future to discuss this with the head teacher. It is anticipated that this dialogue may well identify other non-engineering approaches that could be used to improve safety.</p>	9 Dec 2010 Transport & Highways
Oct 21 2010	568	Objection to a reduction in the level of service at Sutton on Trent Post Office	<p>It is our understanding that Post Office Ltd has been approached by two parties prepared to install a reduced 'post office local' service and one which supports the existing service. It is recommended that the Council support the community in maintaining the existing service if at all possible. In the event that a reduced service goes ahead it should be observed that this weakens provision and ultimately could lead to the service being removed in total.</p>	9 Dec 2010 Culture & community
Oct 21 2010	2596 + 83	Objection to the sale of Bramwell Care Home, Chilwell (2 petitions)	<p>Selling the homes as continuing care services means that the existing residents will be able to continue living at the homes and the staff also will transfer to the new owners. Oct 21 2010	17	Against parking charges in Richmond Road, West Bridgford	<p>The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010.</p> <p>All requests for amendments or removal of existing residents parking schemes will be prioritised and put forward for possible inclusion in a future year's programme for consideration subject to sufficient priority and available funding.</p>	9 Dec 2010 Transport & Highways
Oct 21 2010	110	Objection to the Albert Road residents parking scheme, West Bridgford	<p>The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010.</p> <p>The County Council has undertaken to consider requests for new schemes and amendments to existing schemes, including removal where appropriate, especially where local circumstances have changed since their introduction.</p> <p>Prioritisation of these requests has lead to a review of the Albert Road scheme to include Davies Road. This review is currently in progress and residents have recently been invited to comment on the proposals and to make their views known. The petition will be considered alongside the consultation feedback.</p>	9 Dec 2010 Transport & Highways

Dec 9 2010	75	Request for a co-ordinated response from the Council and the Police to enforce the speed limit on Trevor Road, West Bridgford	<p>This road has therefore been added to the list of sites for possible provision of interactive signs as part of a future programme depending on availability of funding.</p> <p>Nottinghamshire Police have confirmed that Trevor Road is not enforced by the Safety Camera Team as it does not meet the relevant criteria for speed-related casualties.</p>	27 Jan 2011 Transport & Highways
Dec 9 2010	73	The condition of the windows at Abbey Gates Primary School, Ravenshead	It is expected that (with the agreement of the school) the installation period would include the Easter holidays 18 – 29 April 2011. This proposal is subject to the budget funding being available, which should be confirmed in as part of the budget setting process in early 2011.	27 Jan 2011 Children & Young People
Dec 9 2010	314	Traffic calming measures on Lower Kirkington Road, Southwell	Lower Kirkington Road will be added to a list of Interactive Speed Sign requests. It should be noted that the current list for this years funding is fully subscribed; therefore it will be carried forward to the 2011/12 budget for further consideration.	27 Jan 2011 Transport & Highways
Dec 9 2010	27	Residents of Mansfield Road, Sutton in Ashfield requesting to withdraw from the Permit Parking Scheme	<p>The proposal to charge for permits was included in the budget proposals in November 2009 and confirmed as part of the County Council's budget for 2010/11 on 25 February 2010. On 9 March 2010 the "Charges for Highway Services 2010/11" report included the detail of this charge as being £25 per permit issued (with permits being valid for a maximum of 12 months).</p> <p>Concessions have been agreed for Blue Badge holders and those aged 75 and over, since Blue Badge holders and the elderly can be more reliant upon private transport than other residents and therefore have greatest need to keep a vehicle</p>	27 Jan 2011 Transport & Highways

Dec 9 2010	607	Against the plans to switch off street lights at night	The project will implement a monitoring system that compares the 'before and after' recorded crime figures and road traffic accidents for each site. The Police, Community Safety and Accident Investigation Unit will be involved in this monitoring. If changes are required following conversion work, these will be considered on a case by case basis to reinstate all-night lighting	27 Jan 2011 Transport & Highways
Dec 9 2010	656	Against the proposed funding cuts for Newark Women's Aid.	<p>In October the County Council announced as part of its savings programme that it would consult on a wide range of savings proposals, including savings in the Supporting People programme and to Grant Aid. No detailed proposals have been made concerning specific services, although options for how the savings could be achieved at £10 million, £12.5 million or £15 million are being considered. Prior to the announcement of these savings Supporting People carried out a tender for all domestic violence services in the county, including a service in Newark and Sherwood. This tender process is now on hold until the outcome of the savings consultation is known. The Council is looking in detail at the implications of reductions in all Supporting People services, including domestic violence, as part of its decision making process.</p> <p>Newark Women's Aid have been asked to continue to deliver their current service until a decision is made about the level of savings to be made and whether further tender processes will be required</p>	27 Jan 2011 Adult Social Care & Health

Dec 9 2010	17	Request that the Council reconsider the speed limit through Zouch	The existing limit in Zouch was reduced from 50mph to 40mph in June 2006 the village, at the behest of the Parish Council, has been included in the Village Speed Limit Review programme for consideration from 2011. At this time the suitability of the existing limit will be determined alongside the possibility of a reduction to 30mph.	27 Jan 2011 Transport & Highways
Dec 9 2010	446	Request for the continuation of funding for the 50+ group at the Forest Town Resource Centre	The proposal to close four of the resource centres currently funded through the Linkage Plus budget (totalling £68,231) including the Forest Town Centre. These proposals were part of a wider package looking at finding further efficiencies and savings within the prevention agenda, focusing on Linkage services. There is a requirement for the Adult Social Care and Health department to find significant savings over the next 4 years and consequently all service areas have been reviewed in an effort to find appropriate savings and efficiencies. Whilst it is recognised that some service users and their carers will not continue to receive their existing service, it is proposed to ensure that those with ongoing social care needs will be reassessed and where appropriate	27 Jan 2011 Adult Social Care & Health

Dec 9 2010	146	Request for a change to the parking regulations outside John Hunt Primary School	It is recommended that initially the existing road markings are refreshed and a meeting on site between the Road Safety Team, the School and the Local Councillor is arranged to discuss options to improve safety.	27 Jan 2011 Transport & Highways
Dec 9 2010	644	Request for continued national and local funding for the Broxtowe Women's Project	<p>In October the County Council announced as part of its savings programme that it would consult on a wide range of savings proposals, including savings in the Supporting People programme and to Grant Aid. No detailed proposals have been made concerning changes to specific services, although options for how the savings could be achieved at £10 million, £12.5 million or £15 million are being considered. Prior to the announcement of these savings Supporting People carried out a tender for all domestic violence services in the county, including a floating support service for the south of the county. This tender process is now on hold until the outcome of the savings consultation is known. The Council is looking in detail at the implications of reductions in all Supporting People services, including domestic violence, as part of its decision making process.</p> <p>Broxtowe Women's Project have been asked to continue to deliver their current service until a decision is made about the level of savings to be made and whether further tender processes will be required.</p>	27 Jan 2011 Adult Social Care & Health

Dec 9 2010	847	Proposed reduction in library service hours and the cuts in the mobile library fleet	The County Council policy is not to close any library as this would permanently withdraw access to the important community service libraries provide today. Reductions in opening hours enable us to make essential budget savings whilst retaining the network of all 60 libraries. The mobile library service will change from a fortnightly service to a monthly service thus maintaining access to the service for the majority of current customers.	27 Jan 2011 Culture & Community
Dec 9 2010	277	Proposed reduction in library service hours at Mansfield Woodhouse Library	The County Council policy is not to close any library as this would permanently withdraw access to the important community service libraries provide today. The proposal to reduce opening hours at Mansfield Woodhouse from 40.5 to 26 is in line with proposed reductions across the library network.	27 Jan 2011 Culture & Community
Jan 27 2011	65	Proposed levy charges for parking permits on the residents of the Haywood Road Area	The County Council's proposals for parking permit charges was agreed on 25 February 2010. Charging for permits for on-street schemes is common practice in the UK and the charges which are applicable in Nottinghamshire are similar to those applied by many other authorities. Charging for permits will, therefore, continue.	24 Feb 2011 Transport & Highways

Jan 27 2011	638	Proposed reduction in opening hours of the libraries in Selston and Jacksdale	The original proposal to reduce opening hours to between 8 – 10 hours per week at both libraries has, following consultation, been withdrawn. Selston Library will now reduce from 22 to 11 hours per week and Jacksdale Library from 31.5 to 16 hours per week. Reductions in opening hours are required to enable us to make the essential budget savings whilst retaining the network of all 60 libraries.	24 Feb 2011 Culture & Community
Jan 27 2011	23	Request for traffic calming measures on the junction of the A617 with the Radmanthwaite Estate/MARR route	It was agreed that additional white lining would be introduced to guide the opposing right turning traffic which should reduce anxiety when undertaking these manoeuvres.	24 Feb 2011 Transport & Highways
Jan 27 2011	77	Request for the inclusion of Park Road, Bestwood Village, Nottingham in the Winter Gritting Route	Bestwood Village is located immediately adjacent to a main salting route on Moor Road and Park Road abuts directly on to this. During the most recent spell of severe weather very high numbers of requests were received to add roads to the gritting routes. The current severe restrictions on County Council funding are such that it is not possible to provide additional main salting routes in the current winter season, or to meet the very high demand for additional treatment of routes as a matter of routine whilst wherever possible additional treatment is given in times of severe winter weather. A review of all salting routes is to be carried out	24 Feb 2011 Transport & Highways
Jan 27 2011	422	Proposed reduction in opening hours of Huthwaite Carnegie Library	The proposal to reduce opening hours at Huthwaite Library from 19 to 9.5 hours per week is in line with proposed reductions across the library network. Jan 27 2011	19	Change in funding for the Shireoaks Luncheon Clubs	Shireoaks Luncheon Club should be able to continue to meet in this financial year until a decision is made about the level of savings to be made and whether their application should and can be supported.	24 Feb 2011 Adult Social Care & Health
Feb 24 2011	340	Request to reconsider proposals to cut voluntary sector grants for the Worksop Live at Home Scheme.	Decisions regarding the allocation of grant aid are being made taking into account the impact on services for vulnerable adults such as those supported by the Live at Home. Funding applications for 2011/12 were agreed by the Deputy Leader by delegated authority on the 4 th March with the Worksop Live at Home Scheme being allocated £12,500. The County Council is in dialogue with the voluntary sector organisations about the change and following consultation, the Council has made an extra £450,000 available in 2011/2012 to provide time for organisations to adjust to the new level of funding and where possible, seek alternative funding from elsewhere.	31 Mar 2011 Adult Social Care & Health

Feb 24 2011	554	Against the reduction in opening hours at Stapleford Library	The proposal to reduce opening hours at Stapleford Library from 52 to 26 is in line with proposed reductions across the library network. Reductions in opening hours are required to enable us to make the essential budget savings whilst retaining the network of all 60 libraries. The decision to implement the proposed new opening hours was agreed at the meeting of the County Council on 24 February 2011.	31 Mar 2011 Culture & Community
Feb 24 2011	40	Against the reduction in services at the Middle Street Resource Centre in Beeston	<p>The County Council report of the 24 February 2011 identified a saving of £6 million over the next three years. The proposals take account of the increased use of personal budgets to provide flexible care. Those who have a need for a service will continue to receive a service in one of the buildings that will be retained following works to improve them.</p> <p>The outcomes of the consultation and further detailed work will be considered when decisions are made on the final design of the service and the future use of individual buildings over the next couple of months.</p>	31 Mar 2011 Adult Social Care & Health
Feb 24 2011	144	Reduction in the Supporting People grant.	On 24th February 2011 the Council voted to make savings of £10 million in the Supporting People budget, which was the lowest savings amount of the three options for savings that were consulted on. The current proposal to reduce by £10 million will leave a budget of approximately £12.5 million for Supporting People services.	31 Mar 2011 Adult Social Care & Health

			<p>The level of continued funding support set out is a demonstration of the Council's continuing commitment to support vulnerable people and prevent homelessness, notwithstanding the serious financial situation that we now have to deal with. A programme of £12.5 million is still a sizable programme and will still be able to offer support to a large number of individuals across the county.</p> <p>The Council has undertaken a second round of consultation on the Supporting People savings proposals, which closed on 28th March. The detailed proposals were based on a set of agreed principles and aimed to minimise the number of service closures for example all core homelessness accommodation services will be retained along with all four women's refuges in the county.</p>	
Feb 24 2011	142	Reduction in services at Ladybrook Library, Mansfield	<p>The original proposal was to reduce opening hours at this library from 37 per week to 10. Following the budget consultation exercise this proposal was withdrawn and replaced with a proposal to reduce the hours to 18.5. We are also meeting with affected communities to develop new partnerships to enhance the core service which will be maintained by the County Council. Reductions in opening hours are required to enable us to make the essential budget savings whilst retaining the network of all 60 libraries.</p> <p>The petition has been included within the budget consultation and the decision to implement the proposed new opening hours was agreed at the meeting of the County Council on 24 February 2011.</p>	31 Mar 2011 Culture & Community

Feb 24 2011	229	Against the reduction in library services	Reductions in opening hours and new book purchase are required to enable us to make the essential budget savings whilst retaining the network of all 60 libraries. The provision of services was agreed at the meeting of the County Council on 24 February 2011.	31 Mar 2011 Culture & Community
March 31 2011	14	Request that yellow lines be painted and enforced on the junction of Earlswood Drive and Big Barn Lane, Mansfield	The County Council's Accident Investigation Unit reported that there have been no accidents at this junction since at least January 2005. Although visibility from Earlswood Drive is not ideal, it is adequate. It is anticipated that once the construction works are complete, the problem will lessen.	19 May 2011 Transport & Highways
March 31 2011	60	A Bus stop in Bramcote	It has been agreed to install 2 new bus stops in Bramcote. Suitable locations will now be determined after consultation with land owners adjacent to the new stop locations. After consultation it is hoped that the new bus stops will be installed in late May/early June 2011.	19 May 2011 Transport & Highways
March 31 2011	263	Request for a pedestrian crossing on London Road, Retford	It is proposed to carry out an assessment of the site involving a formal survey to assess the suitability for a crossing facility. The speeds of vehicles on London Road will also be assessed with reference to the national guidance on the setting of speed limits.	19 May 2011 Transport & Highways
March 31 2011	119	Improve road safety in Phoenix Ward in Gedling Borough	The petitioners request that the Council improve road safety by placing double yellow lines in three locations. The locations will be assessed and prioritised accordingly. The Highways section will also contact the Police to see if they are able to offer any assistance to reduce the obstructive parking.	19 May 2011 Transport & Highways
