

DATE PRESENTED	Nos	ISSUES	OUTCOMES	DATE REPORTED
15/05/08	115	Speeding through the village of Carlton on Trent	• Involve Police to enforce 30 mph • Consider interactive speed signs • HGV survey – action by hauliers	11/09/08 Transport & Highways
15/05/08	182	Speeding through Kneesall Village and request for interactive speed signs	• Speed data shows average speed 31 mph. • Signing and lighting in good order • Level of accidents does not justify additional traffic calming at this time • Review effectiveness of current signage after 1 year	11/09/08 Transport & Highways
15/05/08	27	Road Safety along A6097 Lowdham and Gunthorpe Bridge	• No treatable patterns of reported injury accidents been identified in current accident investigation of A609. Concerns will be included in speed limit review in 2008/09 (forward of proposed review dated 09/10) • Current figures do not currently fulfil criteria for installation of time over distance safety cameras. • Police Local Area Commander has hand held speed check equipment for use by officers at “speeding hotspots” identified by local communities to consider local enforcement.	11/09/08 Transport & Highways
19/06/08	2136	Heavy Goods Vehicles through Ruddington	• Approval recommended of an alternative approach of a modified assessment method taking into account road hierarchy, road safety and environmental factors • Subsequent study ongoing into alternative approaches to Environmental Weight Restrictions • Ruddington does not qualify for an Environmental weight restriction. It will be carried forward to next review in 2009/10.	11/09/08 Transport & Highways

19/06/08	800	Pedestrian safety issues around Cannon Park, Retford	- County Council already considering improvements to Leverton Road. Proposal put on hold due to planning issues. - Current investigation to a new design. - BBC funding might be complemented from another source.	11/09/08 Envt. & Sust.
19/06/08	290	Traffic Calming measures on St Patrick's Road, Hucknall	- Accident Investigation Unit advise there is no recorded accident problem. - Interactive speed signs to be considered.	11/09/08 Transport & Highways
19/06/08	1013	Possible development of the former Retford Leisure Centre Site, Retford	- New PFI school and leisure centre is now operational. - Bassetlaw District Council will rebuild the new leisure centre "like for like". 79 car parking spaces provided	11/09/08 People Perf & Prop
19/06/08	207	Review of the speed limit in Cromwell village	- No accident grounds to consider at Cromwell. - Recommended that a speed limit remain at 40 mph. - Review in 2009.	11/09/08 Transport & Highways
19/06/08	214	Station Road, Edingley to be included on the main gritting route network	Under current budget and policy considerations Station Road is unlikely to qualify for inclusion in main gritting route	11/09/08 Transport & Highways
19/06/08	1643	Proposed Closure of Besthorpe Primary School	- Number of pupils on the roll is as low as 14. - Governing Body voted to remain open. - At Cabinet on 4 June 2008 Section 15 of Education and Inspections Act 2006 proposed to close school with effect from 31 December 2008.	11/09/08 C&YP Services
11/09/08	37	Road Safety along the A6097 from Lowdham to Gunthorpe Bridge	- Additional petition 3 locations identified for remedial measures: Kirk Hill traffic signals, East Bridgford Gunthorpe Bridge (both junctions) Shelt Hill mini-roundabout Woodborough	23/10/08 Transport & Highways

11/09/08	31	Noise and vibrations on Tickhill Road, Harworth	- Request for Environmental Weight Restriction for Tickhill Road, Harworth. - Policy currently being reviewed. - Possible resurfacing to reduce traffic noise – assessment for inclusion in 2009-10 maintenance programme.	23/10/08 Transport & Highways
11/09/08	11	Anti-Social Behaviour issues in Hawtonville	- Petition from residents of Vixen Close. - Community Safety Team to raise the issue at the next Local Action Group meeting and report back to next County Council meeting in December.	23/10/08 Comm. Safety & Parts
11/09/08	516	Request for pedestrian crossing on Dale Lane, Blidworth	- Site meeting held on 2 October. - Efforts will be made to recruit a temporary SCP for a trial period to determine whether a pedestrian crossing can be justified.	23/10/08 Transport & Highways
11/09/08	106	Calling for improved rail services at Aslockton	- Rail Officer has written to East Midlands Trains asking EMT to re-instate the stops that are being withdrawn. - Report of the outcome to next County Council meeting in December.	23/10/08 Transport & Highways
11/09/08	2057	The eco-town proposal at Newton near Bingham	County Council has raised its concerns with DCLG with regard to eco-towns.	23/10/08 Env. & Sust.
11/09/08	350	Traffic reduction measures in Worksop	- Review to alleviate the problem of disabled drivers parking in Worksop. - This recommendation be added to the list of future Traffic Regulation Order changes.	23/10/08 Transport & Highways
11/09/08	188	Leeming Lane North Road safety petition	3 Stage Safety Audit taking place.	23/10/08 Transport & Highways
11/09/08	40	Closure of road – Willowbridge Lane, Sutton in Ashfield	Proposed introduction of a gated closure mid-way along Willowbridge Lane, subject to consultation.	23/10/08 Transport & Highways

11/09/08	40	Request for Residents' Parking Scheme on Cavendish Street, Arnold	• Review of Residential Parking Scheme policy to take place early in 2009. • Consultation to take place with all residents • Cavendish Street to be added to the list for consultation.	23/10/08 Transport & Highways
23/10/08	1287	Closure of Farndon Post Office	• In support of retaining Farndon Post Office • Post Office Ltd is responsible for maintaining a PO service in the area to meet minimum service criteria • Post Office Ltd are working with an interested party to provide a PO in Farndon area	04/12/08 Culture & Regen.
23/10/08	292	Speeding traffic through Wellow	• The A616 was assessed in the programme 2007/2008 and any recommendations are subject to a report to be considered by the Cabinet Member for Transport and Highways.	04/12/08 Transport & Highways
23/10/08	51	Opposition of the Gedling Access Road	• The County Council, as Highway Authority, is in discussion with both Gedling BC and East Midlands Agency. • The County Council is generally in support of the proposals, subject to agreeing the finer details. • A copy of the petition and supporting letters sent to Gedling BC to assist their decision making process.	04/12/08 Transport & Highways
23/10/08	15	Residents Parking on Woodley Street, Ruddington	• The County Council has a moratorium on the introduction of any new Council funded Residents Parking Schemes, therefore it is unlikely that Woodley Street will achieve priority for a residents Parking Scheme. • The request to be added to the countrywide list of requests for future consideration.	04/12/08 Transport & Highways
23/10/08	63	Request for a Pegasus (Equestrian) Crossing on the Hucknall Bypass	Extensive redevelopment of the Rolls Royce site west of the Hucknall Bypass is planned to be accessed by a new	04/12/08 Transport

			roundabout at the suggested location for the crossing. Plans include a Pegasus crossing funded/ partly funded by the developers.	& Highways
04/12/08	819	Reinstatement of Charity Stall to original position in Newark	• The existing charity stall is too wide to be safely positioned at either location. • Decision is that a narrower stall and canopy will be purchased and provided by the County Council for use by charity organisations. • The stall will be placed at either location and will form part of the County Council's continuing support for charitable organisations.	22/01/09 Transport & Highways
04/12/08	112	Condition of highways: Denewood Avenue, Deddington Lane, Totland Road, Rivergreen Crescent and Rivergreen Close – Bramcote	• The surface dressing on the affected roads will be monitored and further sweeping will be arranged as necessary. • The local County Council Members will be advised as to whether Deddington Lane and Rivergreen Crescent are to be included in the 2009/10 maintenance programme. • The footways on Denewood Avenue, Totland Road and Rivergreen Close to be considered for inclusion in the Maintenance Programme for 2010/11. In the interim their condition will be monitored and safety works carried out as necessary.	22/01/09 Transport & Highways
04/12/08	18	Request for a mirror at the junction of Calverton Road and Queen's Street, Arnold	• Petitioners requested erecting a mirror due to concerns about the poor visibility. • Traffic mirrors are not standard signs and require special authorisation from the Department of Transport • The County Council ceased to install mirrors on the highway some time ago due to safety concerns. • It is felt that further warning signs or devices cannot be justified.	22/01/09 Transport & Highways

04/12/08	40	Request for dropped kerbs on Forester Street, Netherfield	• A bid to provide new dropped kerbs on Forester Street has been put forward for consideration for funding from the LTP Budget for 2009/10. • It is not possible at this stage to say whether this will be successful. • The condition of the existing dropped crossings will be inspected.	22/01/09 Transport & Highways
04/12/08	48	Seeking the closure/control of the footpath on Garwick Close/Douglas Road, Forest Town, Mansfield	• Gating Orders are only considered by the County Council when submitted by the local Crime and Disorder Partnership (CDRP). • The request is noted and passed to the Mansfield District Council CDRP for further investigation.	22/01/09 Transport & Highways
22/01/09	11	Request for refund on parking tickets incurred on North Green, Calverton	• Refunds on penalty charges will not be made. • A car-owning resident is entitled to a free permit – valid permits displayed correctly will not incur penalty charges.	26/03/09 Transport & Highways
22/01/09		Anti-social behaviour in Waverley Avenue and Brooklands Drive, Gedling	• CCTV installations are coordinated through Gedling Crime and Disorder Partnership (CDRP). • The letter has been referred to the CDRP with a request that they treat it as a matter of urgency.	26/03/09 Comm. Safety & Parts.
22/01/09	12	Various highway issues in Burton Joyce village	• The side road junctions in Burton Joyce to be added to the list of locations for future consideration of Traffic Regulation Orders.	26/03/09 Transport & Highways
26/02/09	1400	Provision of a new Bus Station in Worksop	• During the next year, several options will be presented to the people of Worksop as part of a public consultation exercise to identify a preferred site. • The preferred site will then be developed further, a funding package determined and statutory processes progressed.	26/03/09 Transport & Highways

26/02/09	245	Town Centre Traffic Management, London Road, Retford	• A scheme will be designed for the implementation of a yellow box junction marking at the junction of Arlington Way/London Road/Carolgate/Albert Road junction, preventing traffic from exiting Carolgate, particularly those wishing to travel south into London Road. • This problem was compounded recently due to a fault at the Grove Street traffic signals, now rectified, but the volume of traffic still remains a concern hence the need for a yellow box junction marking.	26/03/09 Transport & Highways
26/02/09	27	Residents Parking Scheme, Garnet Street, Netherfield	• A consultation will be carried out as outlined in para 2 above and the residents advised of the outcome of the accelerated TRO programme.	26/03/09 Transport & Highways
26/02/09	267	Interactive Speed Sign for Mansfield Road, Underwood	• As a result of a survey a permanent speed sign will be erected on A608 Mansfield Road on approach to Underwood as part of the ongoing interactive sign programme.	26/03/09 Transport & Highways
26/03/09	71	Regarding reversing lorries (low bridge) at Welham	• The current level and location of low bridge warning signs on the A620 will be reviewed, including the feasibility of relocating the current hanging chain warning device and/or consideration of a new more sophisticated warning system. Funding for the provision of any works identified will be sought in future work programmes.	21/05/09 Transport & Highways
26/03/09	13	Request for restricted parking zone – Portland Street and Portland Close, Sutton in Ashfield	• Residents are currently being consulted on a proposal to update the existing restrictions and extend them to include the whole length of Portland Street and Portland Close.	21/05/09 Transport & Highways

26/03/09	38	Request for parking restrictions on Princes Street, Newark	• The nearby Pelham Street area is included in an ongoing review of Traffic Regulation Orders, consideration will be given to extending this review to include the Princes Street area. • It is possible that a Resident's Parking Scheme would provide a better solution and therefore this area has also been added to the list of outstanding requests for such schemes for review.	21/05/09 Transport & Highways
