

**Features:** Located on the outskirts of Nottingham and set in 250 acres of woodland and grassland with open water.

- Colwick marina has access to the River Trent.
- Rich diversity of wildlife particularly butterflies and dragonflies. Large numbers of birds visit the lake.
- Colwick Hall is a fine example of Georgian architecture.

**Opening Times:**

- Open access to the park, however open access by car is limited to the main car park as there is a barrier to other car parks which closes at 9.00 pm.

**Location:**

- OS Street Atlas Page 174, C2
- Buses: telephone the traveline: on 0870 608 2608.
- Train: The nearest station is Colwick. Telephone 0845 748 4950 for details.
- The main car park is on River Road off Colwick Loop Road (A612). Parking is free at the main entrance car park but through the barrier there is a £1.00 charge, unless an orange badge is displayed.
- Disabled toilets are adjacent to the viewing platform to the south.

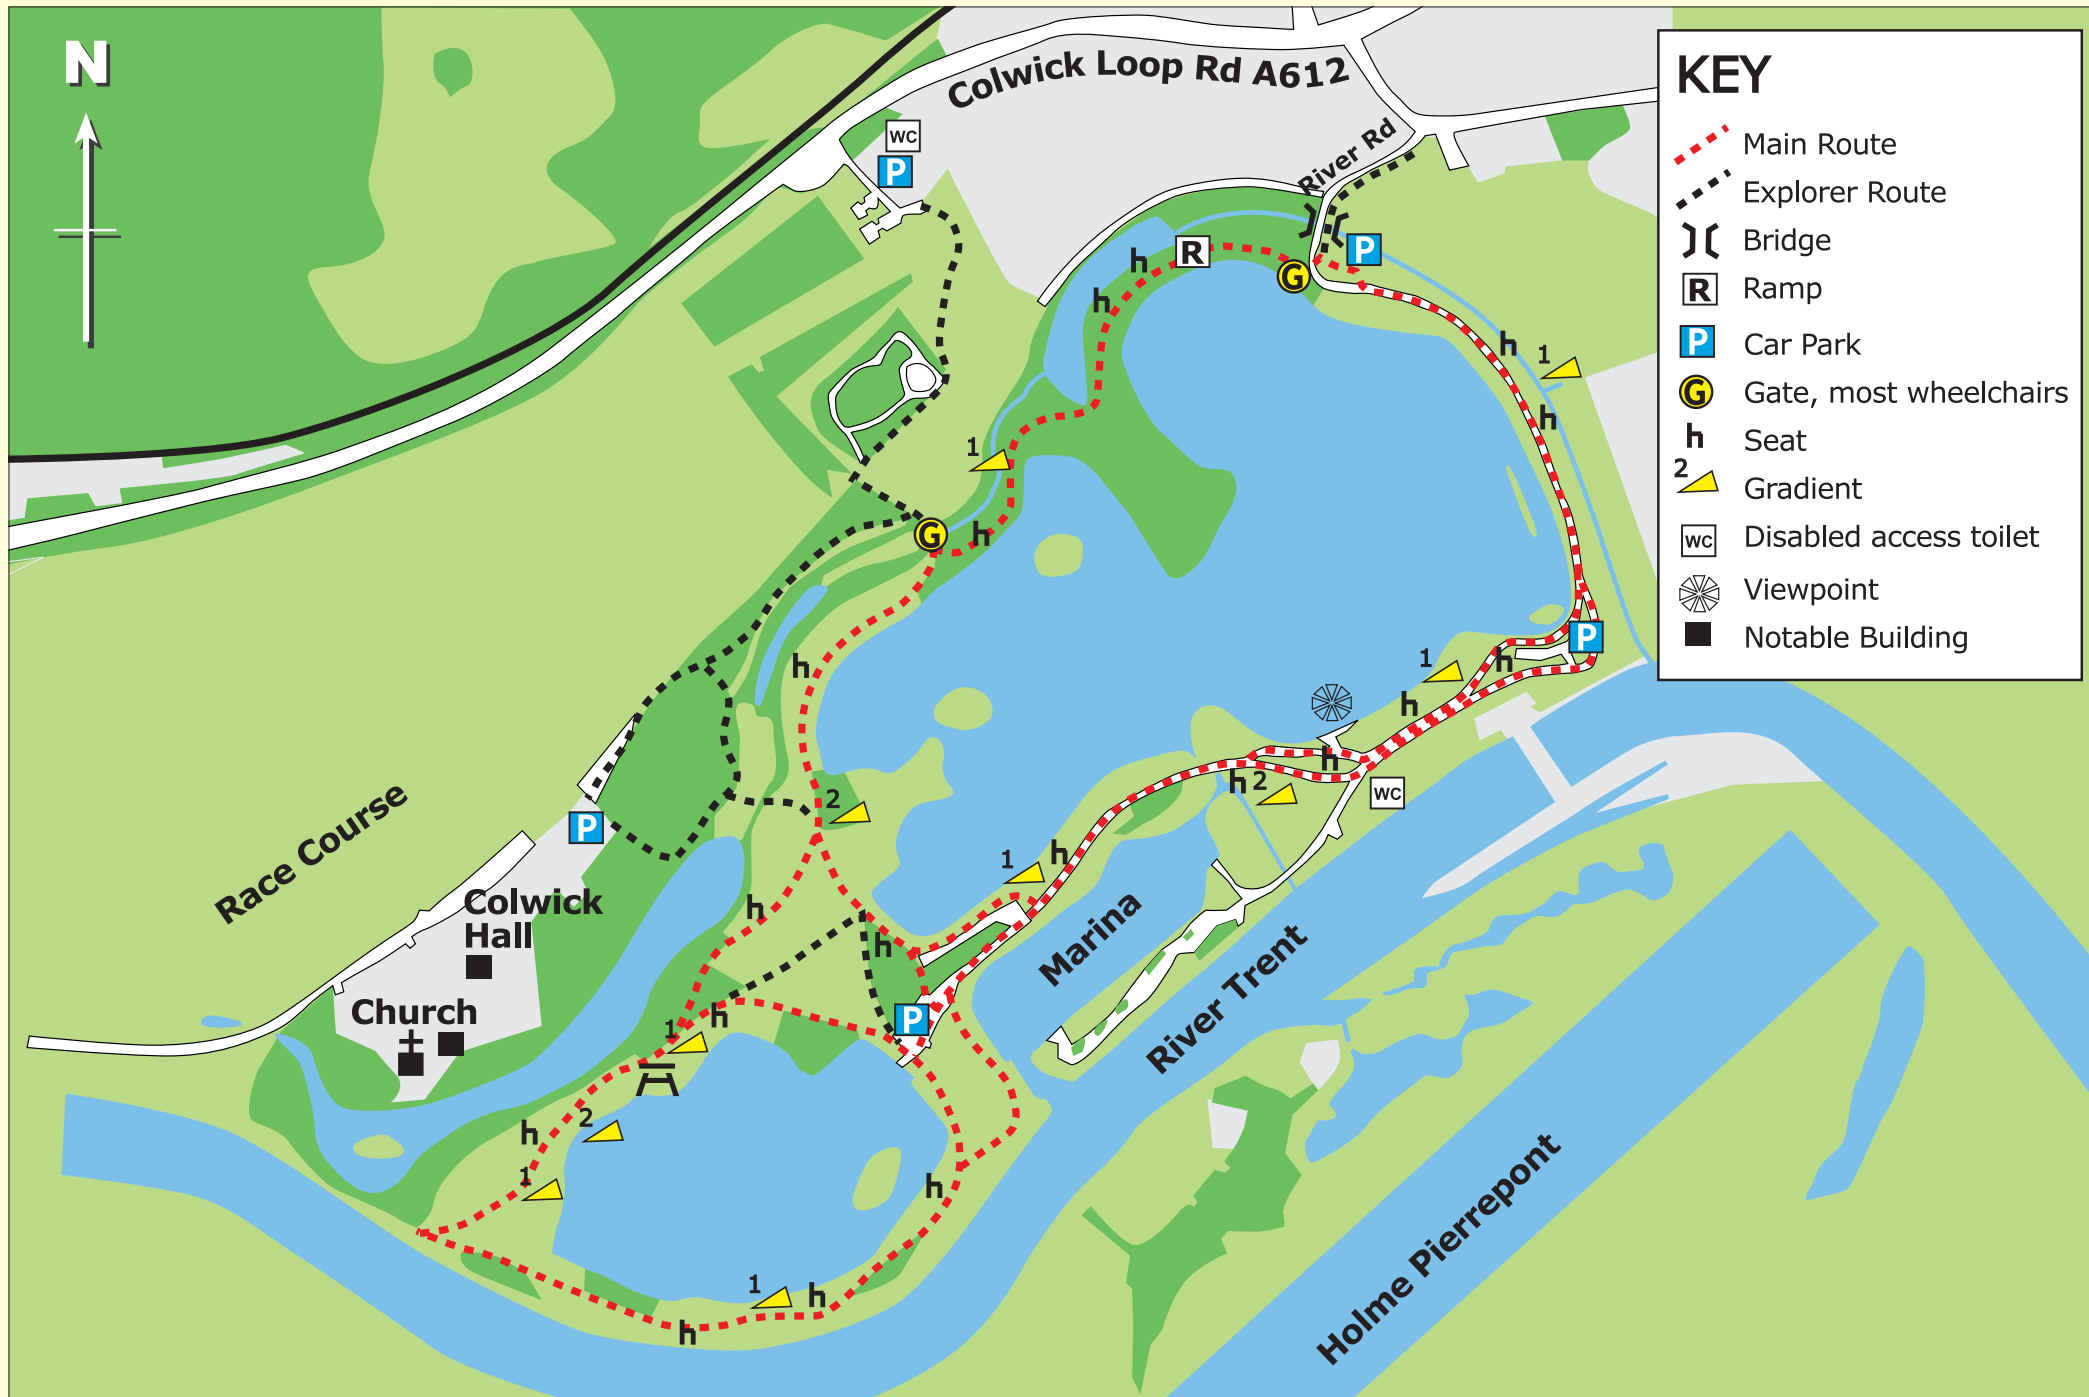

**Paths and gates:**

- Paths are made of compacted stone and are good (B).
- The paths are generally level but there is a steep ramp to the north (4).
- Gates are accessible and are marked with a (G).
