

**Features:** A new country park created partly on the pit heap of Huthwaite Colliery. Completed and opened in summer 1999, the park offers:-

- A wide variety of wildlife, especially birds such as skylarks.
- A visitor centre with a disabled toilet and refreshments.
- Spectacular views from the top of the hill.
- Seats and picnic tables.
- Wheelchair accessible childrens' play area.

**Opening Times:**

- The park has open access.
- For opening times of the visitor centre, please telephone (01623) 550172.

**Location:**

- Main entrance signed from Skegby Road, B6026. O.S. Street Atlas ref. page 100, A2.
- Buses: Telephone Buses Hotline 0870 608 2608

**Paths and gates:**

- RADAR gate from Skegby Road car park to main paths, key can be borrowed from visitor centre.
- A range of routes from short and gentle to longer, but relatively easy, circuits and climbs. Routes from 1/4 mile to 3 miles.
- Most paths are made of compacted red ash (**B**) and are suitable for most wheelchairs and scooters. Paths to the north of the park can become muddy.
- Eastern half of site is Rooley Tops with longer steeper paths to the top (**B3 - B4**). The footbridge in the middle of the park, leading to Rooley Tops is very narrow and not accessible by wheelchair.
