

Equality Impact Assessment (EqIA)

Introduction

This EqIA is for: Community Safety: Reduction in Staffing

Details are set out: B01 Option for Change

Officers undertaking the assessment:

Sarah Houlton, Team Manager Trading Standards & Community Safety

Assessment approved by: Paul McKay, Service Director, South Notts & Date: 12/8/15

Public Protection

The Public Sector Equality Duty which is set out in the Equality Act 2010 requires public authorities to have due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation; Advance equality of opportunity between people who share a protected characteristic and those who do not; Foster good relations between people who share a protected characteristic and those who do not.

The purpose of carrying out an Equality Impact Assessment is to assess the impact of a change to services or policy on people with protected characteristics and to demonstrate that the Council has considered the aims of the Equality Duty.

Part A: Impact, consultation and proposed mitigation

1 What are the potential impacts of proposal? Has any initial consultation informed the identification of impacts?

The Community Safety function for the Authority is currently delivered by 4.8 full time equivalent (FTE) Band C Community Safety Officers. The proposal is to reduce the staffing by 1 FTE, a 20% reduction releasing a saving of £50k (including some associated supplies and services savings).

The proposal would result in a 20% reduction in the capacity of the team to deliver 3 roles:

- 1. Co-ordinating and enabling the Safer Nottinghamshire Board, its Community Safety Partnerships, and other Groups that sit beneath the Board to reduce crime and disorder;
- 2. Developing and delivering a range of initiatives the Council wishes to prioritise that tackle crime and disorder; and
- 3. Managing the finance and performance of a range of initiatives on behalf of the Police and Crime Commissioner.

The proposal would result in a 20% reduction in Community Safety Officer capacity within the Trading Standards & Community Safety Service to lead community safety partnership initiatives and support partnership initiatives led by other organisations/partners and other departments within the County Council.
