Colin Pettigrew

**Corporate Director, Children, Families and Cultural
Services**

**Nottinghamshire
County Council**

Today's event

- **An introduction to the new Director of Children's Services for Nottinghamshire**
- **Our ambition for children, young people and families in Nottinghamshire**
- **Our progress to date**
- **Our partnership's priorities for 2016-2018**
- **Our challenges over the next few years**
- **Our opportunities for the future**
- **Table discussions**

Our ambition for children, young people and families in Nottinghamshire

‘We want Nottinghamshire to be a place where children are safe, healthy and happy, where everyone enjoys a good quality of life, and where everyone can achieve their potential’

Our role in achieving this ambition

**Nottinghamshire
County Council**

Our progress to date

Developments over the last six months:

- **Inspection outcomes:**
 - NCC graded good (only 1 in 4 in the country) (Jun 2015)
 - 65% of Children's Centres graded good or better
 - five schools in Nottinghamshire judged to be inadequate (Mar 2015)
 - all NCC Residential Homes either good or outstanding
 - partner inspections (HMIC & CQC)
- **Family Service – launched earlier this month**
- **Pathway to Provision (version 5) – out now!**
- **Looked After Children and Care Leavers Strategy 2015-2018**
- **Local authority responsibility for the commissioning of Health Visitor and School Nursing services**

Our partnership's draft priorities for 2016-2018

- 1. Children and young people are safe in Nottinghamshire**
- 2. Children and young people are happy and healthy in Nottinghamshire**
- 3. Children and young people achieve their potential in Nottinghamshire**
- 4. Children and young people and families receive the support they need when required in Nottinghamshire**

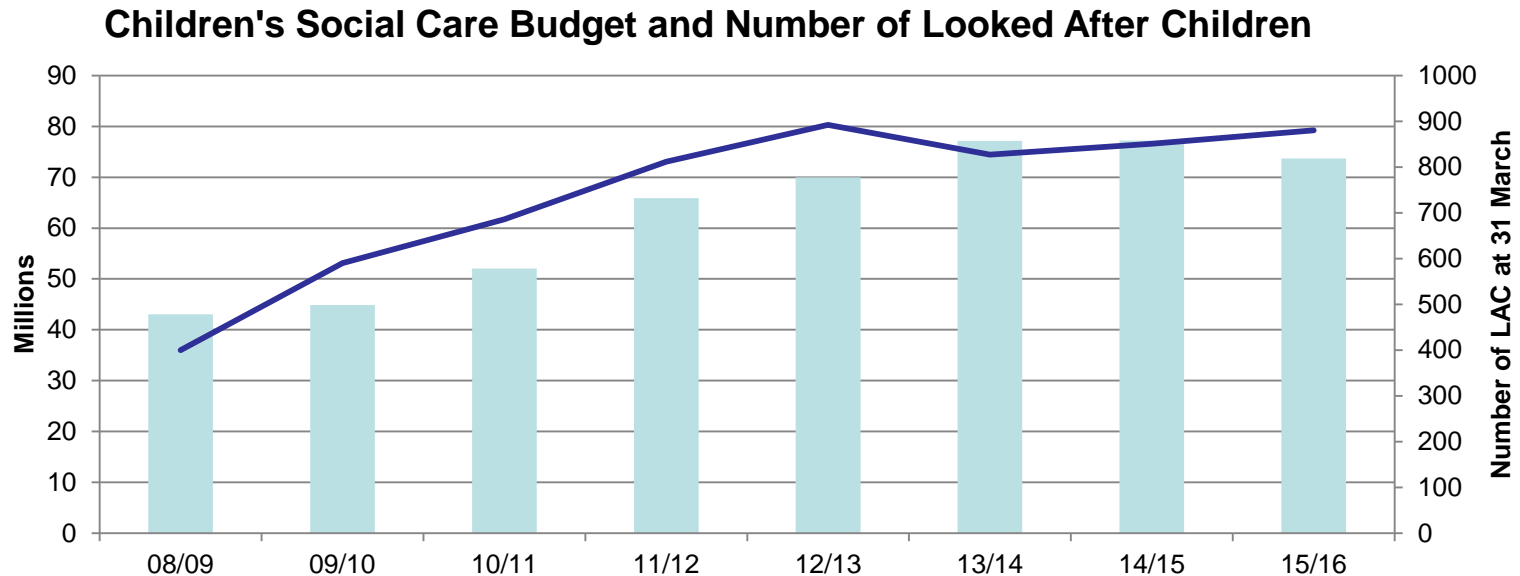

Are these the right ones?

**Nottinghamshire
County Council**

Our challenges over the next few years (1)

- Public sector financial pressures
- Increasing demand for our services

- Increase in LAC numbers, which have almost doubled in 6 years
- 17+% (£6m) of CSC staffing budget is spent on agency staff cost

Our challenges over the next few years (2)

- **Increasing demand for school places especially in primary schools**
 - **1400 additional primary school children from Jan 2014 to Jan 2015**
 - **Since 2011/12 over 3000 permanent primary spaces have been provided – limited access to future funding**
- **Changing architecture of schools in Nottinghamshire**
 - **91% of secondary schools are now academies**
 - **14% (40 schools) of primary schools are now academies**
 - **What does this mean in terms of relationships?**
- **Specific areas for service improvement i.e. attainment levels especially at Key Stage 4**

Our opportunities over the next few years

- **Children's services in Nottinghamshire employ over 1900 staff with a budget for 2014-15 of £140m**
- **£30m spent on per year on community based health services for children and young people, including over 90,000 contacts each year made by Health Visitors**
- **£3.4m in 2014-2015 from Public Health for a range of services for children and young people**
- **108,317 (Jan 2015) pupils attend state funded schools in Nottinghamshire**
- **Well resourced early help services including a county wide youth service**
- **Comprehensive coverage by the Library Service.**

**Nottinghamshire
County Council**

Table discussions

The purpose of the table discussions are:

- 1. To share some key areas of development across the Children's partnership**
- 2. To consider how you and your service could contribute to these developments**
- 3. To consider how these developments could (a) support your role, (b) impact on how you deliver services**

Table Discussions

Four table discussions:

- Pathway to Provision**
 - Children and Young People's Mental Health and Wellbeing Transformation Plan**
 - Tackling Emerging Threats to Children (TETC) Project / development of the Schools Health Hub**
 - Special Educational Needs and Disability (SEND) Reforms**
-
- ✓ **20 minutes for each discussion, only facilitators move!**
 - ✓ **Tea / Coffee break for 20 minutes after the 2nd discussion**
 - ✓ **No plenary session**
