Keyboards	Beginners-advanced players, solo & group work, learning to play a range of styles of music.	Choir	All voices, from beginners to experienced choristers are welcome. Learn songs from folk traditional to pop working on releasing our natural voices. The only requirement for joining is that you want to have a go!	Percussion Group	At the back of the Orchestra is an amazing percussion section, learn how to play these exciting instruments.
Senior Drama	Opportunities for older students to work on even more challenging skills including drama conventions, voice projection and stage presence.	Drama - So you want to be an actor?	Opportunities to work on all the skills you need to be an actor including drama conventions, voice projection and stage presence. Great for boosting your confidence!	Junior Drama	Through fun drama games and activities you will develop stage confidence leading to group performances.
Beginners Dance	A fun beginner dance class with group warm ups, dance games and routines to pop music.	Cheerleading	A fun and high energy session including chants, cheers, arm motions, jumps, stunts and dance, all performed to chart music. Pom-poms provided!	Advanced Dance	You have mastered the basics of dance and are now ready for new challenges!
Senior Rock Groups Workshops	Students are encouraged to form rock ensembles according to their own personal musical taste. They are then given full creative responsibility for these groups and receive any required help and support with aspects of the chosen styles.	Junior Rock Groups	Fancy playing in a band? This is your opportunity to improve your playing and ensemble skills. Some previous experience necessary.	Music Technology	Recording & composing sound/music using different technology and a variety of software and hardware.
Concert Orchestra	For players of orchestral string, brass woodwind and percussion instruments. Repertoire is varied from 'classical' to lighter, pop-type arrangements. Grade 4 or above.	Concert Band	Brass, woodwind and percussion join together to create our concert band. You will learn to play pieces from classical to pop.	Swing Band	Explore swing, funk, blues and soul through swing band arrangements from the great Jazz Classics. For more advanced brass/woodwind players and rhythm section.
Audio/Music Technology	Recording & composing sound/music using different technologies. Bands and soloists from the centre provide the music, which members of the workshop will record and master. The same software is used to compose original music.	Audio/Music Technology	Recording & composing sound/music using different technologies.
