

Ask Us Nottinghamshire – formerly Parent Partnership Service

Covers Nottingham City and Nottinghamshire County

Ask Us Nottinghamshire provides parents, carers, children and young people with free, confidential and impartial information, advice and support on children's special educational needs and disability matters. We operate across Nottinghamshire and Nottingham City; we can signpost or refer callers to other teams for more specialist advice. Some of these teams cover just Nottingham or just Nottinghamshire but others extend across both areas.

We want to ensure that the views of parents, carers, children and young people are taken into account when decisions are made around education issues. Our aim is to help children and young people achieve the best possible outcomes and prepare well for adulthood.
