

## School Website Service

Our multi skilled team design and build visually stunning websites that are easy for staff, pupils and families to use. All websites are fully responsive, so they look and perform well on mobiles, tablets and modern web browsers.

Our team will work with you to develop ideas, then design and create a bespoke site for you. The award winning Content Management System (CMS) means you can easily add new content using a simple visual interface, so there's no tricky code to learn or difficult administration area to master.

Parents and Ofsted start making judgments about your school from the moment they access your website. Our design and maintenance service ensures that a great impression is made from the moment they log on.\*

### What we offer

- Site visit to share designs and develop the concepts.
- Website built on the world's most popular website building system.
- Hosting and email support provided for one year.
- Mobile responsive design and browser tests.
