

Green Cross Code

Can you help Fizz and her dog, Rex, to sort the rules of the Green Cross Code into the right order?

Draw a line to match the correct rule to the picture

Look all around for traffic and listen

Keep looking and listening for traffic as you cross

First find a safe place to cross, then stop

If traffic is coming let it pass. Look all around again

Stand on the pavement near the kerb

When there is no traffic near, walk straight across the road
