Can you fill in the gaps?

Pedestrians should always use the _____ cross _____ when crossing the road

If there isn't a _____, pedestrians should always _____ on the right hand side of the road to face the _____ coming towards them

Do you know the difference between these 3 signs. They all involve pedestrians but mean very different things. Write what you think they mean in the space below

How many words can you make using the letters from the word **Pedestrian**. We know there are at least 10. See how many more you can find and write them in the box below.
