

# The C Card Scheme Nottinghamshire Training Programme

2017-18

## Welcome to the C Card Scheme Nottinghamshire's Training Programme for 2017-18.

Reducing teenage pregnancy and sexually transmitted infections amongst young people in Nottinghamshire remains a key priority.

The C Card Scheme is a free sexual health advice and condom service for young people aged 13-25. It allows young people to gain access to condoms, lubricants and get advice on sex, STI's, relationships and much more.

This training programme lists several C Card Training Courses to enable professionals who work with young people aged 13-25 across Nottinghamshire to become a C Card Site. In turn, this will allow young people to access free confidential sexual health advice and condoms from a range of setting in Nottinghamshire.

In addition to the selection of training courses listed in the following programme, the C Card Team is also able to offer the same courses on an '**in house**' basis, if required. This training can be delivered at a time and venue convenient to each organisation.

For further information on 'in house' training or on any of the courses listed here, please don't hesitate to contact Samantha Hammond from the C Card Scheme to discuss.
