

Chapter Nine:

LTP2 Programme for improving accessibility 2006/07 – 2010/11

Introduction

- 9.1. This chapter sets out a phased programme for improving accessibility and the timeframe, for tackling the priorities identified in Chapter 8 over the Plan period.
- 9.2. Development of Local Accessibility Action Plans has been split into three phases:
 - Undertaking a local accessibility assessment as necessary;
 - Developing and agreeing the Local Accessibility Action Plan with partners based on feasibility, practicality and availability of resources; and
 - Implementation.
- 9.3. This programme relates to the LTP delivery programme set out in the main Local Transport Plan document and the wider development programme of partners' initiatives in Greater Nottingham given in Annex D.

Local Accessibility Action Plan Programme 2006/7 – 2010/11

Key Acc Plg Stage:	Local accessibility assessment		Develop & agree local action plan(s)		Implement local accessibility action plan	
--------------------	--------------------------------	--	--------------------------------------	--	---	--

	Local Accessibility Action Plans for highlighted priorities submitted with Accessibility Strategy.
--	--

Strategic Themed Objective/ Priority Areas		LTP1	LTP2					LTP3
		0	1	2	3	4	5	
		2005/6	2006/7	2007/8	2008/9	2009/10	2010/11	→
Objective 1: Improve access to employment for the most disadvantaged communities.								
EM1	Continue delivery of workplace travel plan programme (Smarter Choices).							
EM2	Improve access to employment for the most disadvantaged communities.							
EM3	Inform planning and design of new employment sites as defined in Local Plans.							

Strategic Themed Objective/ Priority Areas		LTP1	LTP2					LTP3
		0	1	2	3	4	5	
		2005/6	2006/7	2007/8	2008/9	2009/10	2010/11	→
Objective 2: Reduce the health inequalities gap by improving access to healthcare provided by core health services (hospitals, NHS Direct, GP services).								
H1	Improve access to and between the 2 hospital trusts.							
H2	Improve access to NHS Direct.							
H3	Support the development and implementation of PCT travel plans including health centres and LIFT sites.							
H4	Improve access to GP services not located within PCT managed sites.							
H5/ LCT2	Use the RoWIP to promote use of local services and locations which support healthy lifestyles.							
Objective 3: Improve access to education and training opportunities from early years through primary, and secondary education and on to further education.								
ED1	Continue delivery of STP programme including initiatives to improve safety and security.							
ED2	Support the development of the Surestart and Children's Centres programmes.							
ED3	Support the City's primary schools organisation programme.							
ED4	Support new secondary education developments (BSF, Academies proposal, Extended Schools).							
ED5	Support the development of a programme of FE travel plans for colleges and schools as required.							

Strategic Themed Objective/ Priority Areas		LTP1	LTP2					LTP3
		0	1	2	3	4	5	
		2005/6	2006/7	2007/8	2008/9	2009/10	2010/11	→
Objective 4: Ensure access to a range of essential services including a choice of healthy affordable food outlets by maintaining the viability of local and district centres.								
FES1	Support future research into access to healthy affordable food including work with FIG and Ashfield District Council.							
FES2	Develop a programme of local link services to connect communities to local shopping facilities.							
FES3	Consider accessibility in assessment and future development of local centres including LATS.							
FES4	Beeston Masterplan to integrate tram and bus interchange.							
Objective 5: Ensure access to a range of leisure, culture and tourism opportunities for residents and visitors through targeted marketing and information and local infrastructure improvements.								
LCT1	Expand public transport information and marketing to key attractions.							
LCT4	Develop a programme of Smarter Choices interventions incl travel plans for key tourist attractions.							
LCT3	Support the delivery of City leisure services including: Transformation Programme & library services.							
LCT2/ H5	Use the RoWIP to promote use of local services & locations which support healthy lifestyles.							

Strategic Themed Objective/ Priority Areas		LTP1	LTP2					LTP3
		0	1	2	3	4	5	
		2005/6	2006/7	2007/8	2008/9	2009/10	2010/11	→
Objectives 1 - 5: Cross-themed strategies								
A1	Improving access for older and disabled people.							
A2	Improving access to council services.							
A3	Integrate accessibility planning into the planning process.							
A4	Improve connections to and across western quadrant of City.							
A5	Support development of City Housing Area Investment Plans.							
A6	Accessibility of regeneration areas: Eastside, Waterside and Southside.
