### Public toilets

Public toilets, including a unisex disabled toilet, are located in the Visitor Centre. **Sorry, there are no public toilets at the Major Oak.**

### Refreshments & souvenirs

### Picnics

Because of the loud noises and crowds many dogs may find the event stressful, therefore you are strongly advised to leave them at home. If you do bring your dog it must be kept on a lead and you must always clean up after them. Dogs must not be left in your vehicle.

### Limited mobility?

Motorised scooters can be hired (subject to availability) for £20 per day\* from the Professional Mobility stand in the Visitor Centre car park. \* Proof of ID required

### Bad weather

The festival is an outdoor event. In the case of bad weather, events may have to be cancelled or changed at short notice.

### Getting around the festival

Please allow plenty of time to walk across the site to different activities.

### New Visitor Centre

Work is underway preparing for an exciting new Visitor Centre opening in 2018, so unfortunately there is no jousting this year.
