

## Freedom of information request NCC-026867-17

Thank you for your recently submitted Freedom of information request, for ease we have provided our response alongside each point raised.

- 1) Total grant(s) received in relation to the Pothole Action Fund for 2016/17 - £839,000
- 2) Total money spent on filling potholes in 2016/17 - £1,345,222.
- 3) Number of potholes filled within 2016/17 – 58554.

Please note the figures in Q2 & Q3 are for pothole repairs only and do not take into account patching repairs. The funding in question 1, whilst branded as a pothole fund is also there for use as a preventative treatment fund and therefore this funding has not just been utilised for pothole repairs. Therefore, the answer to question 1 does not directly correlate with questions 2 & 3.

Please note that the answers for questions 2 & 3 are for carriageway potholes only. If you require footway figures these are, 4957 and Total cost £72,750.

I trust this information is of assistance.
