

Older People's Care Survey 2017 – Freedom of Information Request

1. Average and maximum prices

- (i) Please provide the average and maximum prices of LA-funded places and the average prices of self-funded places for older people. **If you do not have exact figures for this group, please provide your closest approximations based on your available data**, such as your market position statements. E.g. “between £650 and £700 a week” or “approx. £675”.

	LA-funded		Self-funded
	Average prices	Maximum prices	Average prices
Care home (£/week)	NCC fee rates below		Not known
Care home with dementia support (£/week)			
Nursing home (£/week) (after FNC)*			
Nursing home with dementia support (£/week) (after FNC)*			
Extra care housing (£/week)			
Home care (£/hour)	£15.56		

* Please take into account reimbursements paid to settings through FNC (see glossary), to reflect the actual price charged per individual place. (I.e. the difference between the total amount received by a setting and reimbursements they may receive through FNC.)

Care home banding	Residential care	Residential Care Included DQM Payment**	*Nursing care (rates below exclude FNC at £155.05)	*Nursing Care including DQM Payment** (rates below exclude FNC at £155.05)

**DQM Payment – enhanced payment for care homes meeting standards on dementia care (34 homes in Nottinghamshire)

2. Number of individuals using services

- (i) Please provide the number of older people using the following different services over a year. **Please use your closest approximations, if exact figures are unavailable.**

Provided below the number of individuals (older adults) using these services at any time during the year 01/04/16 – 31/03/17.

	Number of individuals (LA-funded)	Number of individuals (self-funded)
Care home	2227	Unable to answer
Care home with dementia support	457	
Nursing home	1159	
Nursing home with dementia support	254	
Extra care housing	67	
Home care	2244	

- (ii) Please provide the number of **hours per year** used by all older people using home care services in total per year. **Please use your closest approximations, if exact figures are unavailable.**

	LA-funded	Self-funded
Home care (hours per year)	1,047,200	Unable to answer

3. Source of funding

- (i) What **proportion** of older people in receipt of social care in your area are entirely LA-funded, partly LA-funded, or entirely self-funded? This includes all kinds of social care referenced in our glossary at the beginning of the survey. **Please use your closest approximations, if exact figures are unavailable.**

Entirely LA-funded	Partly LA-funded	Entirely self-funded
Unable to answer %	Unable to answer %	Unable to answer %

- (ii) What proportion of the places for older people in residential care (i.e. care homes and nursing homes) that you commission are funded using top-ups from third parties (to any extent)? **Please use your closest approximations, if exact figures are unavailable.**

Proportion of places paid for with top-ups from third parties	Unable to answer
---	------------------

4. Sufficiency of Services

- (i) Based on your latest market analysis, is there sufficient provision in your area to meet the care needs of older people for the following services? **Please indicate with a cross (X).**

	Yes	No	Don't Know
Care home	X		
Care home with dementia support	In some areas	In some areas	
Nursing home		X	
Nursing home with dementia support		X	

Extra care housing		X	
Home care		X	

When did you most recently assess sufficiency?

This is ongoing – for homecare capacity reports are produced weekly.

- (ii) If you indicated ‘No’ or ‘Don’t Know’ for any answers, please use the space below to tell us about the issues in your area. We are grateful for any additional information.

Recruitment of nursing staff is a local and national issue as is sufficient homecare capacity. We are currently redesigning our model of homecare and will be re-procuring shortly. We have an Extra Care strategy to deliver more Extra care facilities.

5. Out of area placements

- (i) Do you use out of area placements for older people’s care? **Please indicate with a cross (X).**

Yes	No	Data not held/accessible
X		

- (ii) If so, what proportion of your total placements for older people’s care are out of area? **Please use your closest approximations if exact figures are unavailable, or leave blank if the data is not held or not accessible.**

Proportion of provision sourced from outside your local authority area

As at 31/03/17 246 older adults service users out of 2326 were placed in an out of county placement. This includes people in a home in the City boundary.

6. Future projections

- (i) Do you expect (i) the demand, and (ii) the supply of social care to increase, decrease or stay the same over the next year? **Please indicate with a cross (X).**

	Increase	Decrease	Stay the same	Don’t know
Demand	x			
Supply				x

Thank you for completing this survey.
