

I make the following request under Freedom of Information Act.

Attached is a report regarding a Planning Obligation sought for Secondary School Pupil Place Provision for an area referred to by the author as the Mansfield Secondary Planning Area. I wish to identify the location and boundary of that area, for example is it based on Council Ward areas, or post code areas or by some other means. Could you also supply me with a list of Secondary Schools by name that were contained in that specific area as of 1st June 2017.

Please acknowledge receipt of this email.

Many thanks

Further to your recent freedom of information request below,

Please see the following response which I have received from departments in respect of the attached FOI requests relating to Mansfield West Primary School Planning Area and the Mansfield Secondary School Planning Area.

The planning areas are put together following the school catchment areas. The admissions team will have GIS files for the school catchment areas if you think this is necessary to send in this instance to the request. I am not sure if they are publicly available to him but we can check.

The schools in the planning areas quoted in both emails are as follows:-

Primary Planning Areas – Mansfield West Schools

Intake Farm primary and Nursery School
Flying High Academy at Ladybrook
St Philip Neri with St Bedes RC Primary School
Sutton Road Primary and Nursery School
Wainwright Primary Academy

Secondary Planning Areas – Mansfield

Queen Elizabeth's Academy
The Manor Academy
Garibaldi College
The Brunts Academy
All Saints RC Comprehensive School
Samworth Church Academy
Vision Studio School

I hope this now satisfies your request, and should you have any further enquiry please do not hesitate to contact me directly on the details below.
