

Footway widened to 3.0m to create shared-use facility and resurfaced. Tree canopies to be raised where required. Constraint - private trees

Existing Puffin crossing across Queens Road to be upgraded, if feasible to a Toucan crossing. Constraint on southern footway - Max width 2.1m. Further survey work required to analyse options for improving footway widths

Visibility to be improved with possible removal/alterations to existing brick planters or trimming of shrub planting to create shared use facility with dropped crossing onto Humber Road South

Signed-only cycleway along Cul-de-sac section of Humber Road South. Cyclists to use the existing road due to very light traffic flows

Existing segregated cycleway - National Cycle Network Route 6

Proposed widening of existing footway into parking area/verge to create segregated cycleway

KEY

- Existing Highway Alignment
- Existing Tree
- Proposed Segregated Cycle Facility
