Request for Information: Conversions of Statements of Special Educational Need to EHCPs

Local authorities are in the process of transferring all children and young people with statements of special educational need (SEN) over to the new SEND system.

I would like to request the following information:

1 • As of 10th November 2017, how many SEN transfers had yet to be completed in your local authority? ○ “Completed” here means either that an EHCP is now in place, or that a decision not to produce an EHCP has been communicated to the family.

2 ○ If you have already collected this information for an earlier cut-off date within the last month (for example, 31st October 2017 rather than 10th November 2017), please use that cut-off date if it is more efficient for you to do so - but in your response, please specify the cut-off date you used.
