

Dear Parent/ Carer

We are holding our drop –in mornings

Every 3rd Wednesday of the month between 10.00 and 12.30

The mornings will provide opportunities for you to

-have a cup of coffee and meet other parents

-chat to workers from Health and Social Services and Autism East Midlands

-borrow items from the Information Service

TOPICS COMING UP

17th January 2018

Behaviour issues

Speaker Matt Rooney

(paediatrician, social worker available if you need to talk one to one)

21st February 2018

Coffee morning (Half term)

(paediatrician, social worker available if you need to talk one to one)

21st March 2018

Puberty & Relationships

Speakers Fran Dancyger & Emma

Weatherdon, Contact a Family

(paediatrician, social worker available if you need to talk one to one)

For sessions with no speaker, fewer parents may attend, so there may be space in the (free) parking area through our barrier, but this is not guaranteed as **parking is extremely limited**.

For sessions with a speaker we ask people who are not bringing a child/don't have disabilities themselves, to park elsewhere on or off the campus, or to come by public transport if at all possible. The brown line buses from the city centre stop opposite entrance 2 on Hucknall Road and the Medilink bus stops on the campus near entrance 2. The Medilink connects with the tram at Wilkinson Street where there are Park and Ride facilities.

To reach us, enter the hospital site on entrance 1 on Hucknall Road (the entrance furthest from the ring road) and follow the signs to the Children's Centre

If you need childcare please contact us in advance so that we can check that staff are available.
